Whether you have been in a relationship and love with someone for a long time or you just started dating them, you very well

may be thinking about the possibility of an engagement down the road. It's important to take a step back and think about what you want for the future in terms of your relationship:

2. Exclusive: Sometimes people date more than one person at once, because they don't know who they want to be in a relationship with or who they like. When you and your partner decide to be exclusive in your relationship and only see one another, then you probably have a good chance of making it if you both enjoy each other.
