Ali Fedotowsky Tells Us How to “Attract More Love and Happiness” Into Our Lives

Mattern

By Kristin

Ali Fedotowsky is no stranger to ABC's *The Bachelor* and *The Bachelorette*. She was a contestant vying for Jake Pavelka's affection in season 14 of *The Bachelor* and later starred on season 6 of *The Bachelorette*. Well-versed in love, relationships and reality television, Fedotowsky is now putting her dating and media expertise to work on a new blog

for *E!* about the popular dating competition show. Additionally, she has continued her foray into the world of the small screen as the host of *1st Look*, the Emmy Award-winning travel show from NBC. In an exclusive interview, this adorable TV personality opens up about the current season of *The Bachelorette*, moving on after heartbreak and her happy relationship with Kevin Manno, host of *Abby's Ultimate Dance Competition*.

The bubbly blonde has a unique point of view to share with readers of her *E!* blog. "I kind of feel like my time as the bachelorette was a lifetime ago, so I don't have any emotional connection to the show," she explains, "but I do enjoy watching with my girlfriends. And I definitely have a different perspective on what it's like for Desiree. I know firsthand that it's not easy!" Fedotowsky remembers her time on the reality series as one the most stressful and emotional times of her life but says that being a contestant on *The Bachelor* was "just fun!" She enjoyed her time hanging out with the girls and talking about boys. The big life lesson she learned from her experience on the shows is to be honest with yourself: "I don't think it changed the way I date. It just made me trust my instincts more."

Given their similar circumstances, Fedotowsky has become friends with the current bachelorette, Desiree Hartsock. The two hit it off while filming a special that will air during tonight's *Men Tell All* episode. "Desiree is as sweet and down to earth in person as she is on the show. I really have nothing but wonderful things to say about her," the television personality remarks. Wondering if they shared secrets about the end of this season? "When we hung out, I told her to please *not* tell me anything. I didn't want her to think I would try to pressure her for those details. I'm there as a friend, not to interrogate her!" However, Fedotowsky did tell

us that she is rooting for Chris but that she “will be happy with whoever she [Desiree] picks because she’s happy! She’ll pick the guy she falls for; that’s not for me to judge.”

Fedotowsky is no stranger to love and heartbreak. She was lucky enough to find her happy ending on *The Bachelorette* with Roberto Martinez, but the couple called it quits after an 18-month engagement. When it comes to moving forward after a broken heart, she suggests staying as busy possible. With this thought in mind, she’s thankful for her role as host of the travel show *1st Look*. “It was good timing for me since I was in a transitional period of my life.” Of course, this adventure-filled opportunity doesn’t come along for everyone. “Volunteer,” she advises. “I’ve done that in the past, and it not only keeps you busy but makes you feel good.”

It’s no secret that the Los Angeles native has jumped back into the dating scene. When they’re not soaking up the sun south of the border, the twosome enjoys playing “darts or any sort of game, like Bingo or bowling.”

And for those of you just dipping your toes into the water after a split, the starlet shares this sage wisdom: “Get out there and do what makes you happy! I really feel that, when you show everyone that you love and respect yourself, you attract more [love](#) and happiness into your life.”

How do you know when it's time to move on from a past relationship?

Cupid's Advice:

Knowing when to move on from a past relationship is a complicated and confusing process to work through. You may still have feelings for your ex, you may be lonely, or you may want them back. Whatever the circumstance, there comes a time when you need to move on with your life. Here are some tips:

1. New relationship: It is essential to move on from a past relationship if you are currently in a new relationship. Thinking, or obsessing over your ex, and ex-relationship is not in any sense healthy. Nor will it positively affect the relationship you're currently in. Drop your ex if you now have a different significant other by your side.

2. Health: If your health has declined because of your past relationship, it is necessary to move on. It is not beneficial to stick around with your past relationship if you are physically and emotionally suffering from it. So pick your self up, and move on. Throw away their belongings, get rid of the haunting thoughts lingering in your mind, and create a better healthier life for yourself.

3. Happiness: Are you completely dissatisfied with your life because of your ex and your past relationship? Are you miserable inside? Do you constantly watch Netflix and have at least three gallons of ice cream in your freezer? You are unhappy. Move on from your relationship and focus on yourself. Get your life together, gather your thoughts, and focus on finding happiness.
