

Celebrity Couple News: Khloé Kardashian & Tristan Thompson Want to Buy a New Home Together

By Diana Iscenko

In the latest [celebrity news](#), [Khloé Kardashian](#) and Tristan Thompson are searching for a new home together after the [celebrity exes](#) reunited during the pandemic. A source close to the pair told *UsMagazine.com* of their plans to live together after their breakup in February 2019: “Tristan wants to prove to Khloé that he has changed and wants to make this permanent with a family home.” The [celebrity couple](#) shares a two-year-old daughter, True.

In celebrity couple news, Khloé and Tristan are on such good terms again that they're looking to buy a home together. What do you do if you and your partner disagree on the features you want in a home?

Cupid's Advice:

When you and your partner are ready to move into a new place together, you're likely excited about this next step in your relationship. Unfortunately, you might find out you and your partner can't agree on what you want in a home. If you're worried about making this compromise, Cupid has some advice for you:

1. Decide your must-haves: Both you and your partner should make separate lists of your must-haves for your new home. Compare lists afterward and find out what you agree on from the get-go. Use these features you already agree on as the foundation for your house search.

2. Focus on your budget: Most couples have a hard time deciding on a budget. A good rule of thumb is your monthly payments should be less than 25% of your net pay. Going by this rule gives a more definite budget and can prevent you (or your partner) from wanting to get a home outside of this range.

3. Lean on your realtor: Your real estate agent will be knowledgeable about the housing market in your area and should be able to give you and your partner impartial advice. They won't be able to magically fix your disagreement, but they might be able to help you reach that compromise.

Cupid’s Advice:

Tristan Thompson is desperately trying to win back his ex-girlfriend, Khloe Kardashian. While it might seem like the perfect idea to get back with an ex, Cupid has some [relationship advice](#) on which factors to consider before you jump back into the relationship:

1. Is it mutual?: [Taylor Swift](#) sang, “We are never ever getting back together...like ever,” and she meant it. You don’t want to come across as a crazy ex, so make sure your ex is comfortable with pursuing the relationship again. If not, then it is time to move on to something healthier.

2. Were you happy?: Sure, every relationship has its ups and

downs, but ask yourself if you were truly happy in the relationship or if you're clinging onto a few happy moments. Your happiness should be put first and foremost when it comes to a decision like getting back into a previous relationship. Make sure this is something you truly want.

3. What has changed?: Your relationship ended for a reason. Celebrity Diet: Are Detox Teas Good for You?

By [Ashley Johnson](#)

Going on a detox can sometimes be the best thing for your body and mind. However, taking detoxes to the next level can be dangerous if you are not careful. While the primary goal of a detox is to eliminate harmful substances from your body, detox teas may actually be inviting them in. In celebrity diet news, celebrities like [Khloe Kardashian](#) and Cardi B have endorsed detox teas on their Instagrams, while other celebrities like Jameela Jamil and U.S. Paralympic gold medallist Brenna Huckaby`have spoken out against them calling them 'toxic'. Before you take the detox tea diet to extremes in true [celebrity fashion](#), Cupid has some [fitness](#) and [food](#) advice on what you should consider.

Here's some fitness advice on what to keep in mind before trying out the detox tea craze:

Teas are typically one of the healthiest drinks you can

consume. They have been known to boost your immune system and protect your bones with the power of its antioxidants. However, detox teas are not always healthy and can sometimes contain a lot more than tea leaves. While some detox teas contain normal tea ingredients, others may contain toxins, drugs or medication. Contrary to drinking normal tea, here are some things you may want to watch out for when drinking detox tea:

1. Water weight loss: Detox teas don't actually make you lose body fat, but can help you lose water weight. Water weight is all the extra water that your body retains, and losing that water weight can certainly make you feel lighter. Even if you are not necessarily losing actual body fat, you can be tricked into believing you have, as two cups of water weighs approximately one pound.

2. Electrolyte imbalance: Consuming too much detox tea and having to frequently use the bathroom can lead to dehydration and ultimately electrolyte abnormalities. An electrolyte imbalance in your body means you are at risk for muscle spasms and an abnormal heart rhythm.

Related Link: [Fitness Tips: 7 Ways to Speed Up Weight Loss](#)

3. Unwanted side effects: Detox teas are primarily made up of the senna plant and caffeine, and these two ingredients together very much act as laxatives. This means the tea can be accompanied by diarrhea, abdominal pain, gas, nausea, and much more. The list of side effects for detox teas is rather long and also includes heart attacks, seizures and even death.

Related Link: [Celebrity Diet: Does Going Vegan Hurt Your Health?](#)

4. Caffeine: While the average tea contains less caffeine than a normal cup of coffee, detox tea may actually contain the highest amounts of caffeine when comparing the two. Of course this means the detoxifier also comes with some of caffeine's

most unpleasant, yet common side effects. Side effects may include restlessness, nervousness, headache and fast heart rate.

5. Sleep problems: With detox teas having such high amounts of caffeine, having sleep problems should come as no surprise on this list of things to consider. You may not only experience problems falling asleep, but may also find yourself having trouble staying asleep. Furthermore, not getting enough sleep has also been studied to be linked to weight gain, which is probably the exact opposite of what individuals aim for when starting the detox tea diet.

Celebrity News: Jordyn Woods Parties with Khloe Kardashian's Ex James Harden

By [Katie Sotack](#)

It looks like more Kardashian exes are after Jordyn Woods! Model, Woods was seen partying at a Houston nightclub with NBA player James Harden, according to *People.com*. Celebrity exes [Khloe](#) and Harden ended things three years ago, but after Khloe's baby daddy Tristan Thompson made moves on Woods, the tensions between the superstar family and Jordyn over exes are high. Woods seems to be attracting all the same men as the Kardashian sisters, as she was spotted with [Kim](#)'s ex Ray J as well. Though Woods claims she's as sorry and apologetic as she can be, Khloe maintains she never wants to see her again.

In [celebrity news](#), Jordyn Woods may be asking for more drama with Khloe Kardashian. What are some basic rules when it comes to friends'

exes?

Cupid's Advice:

According to Khloe Kardashian, her friendship with Woods is totally over. Yet with feelings still webbed between the two and their exes, does girl code still apply? Here are the laws of the land when interacting with a friend's ex:

1. Not too friendly: Unless this ex was part of the friend group before your bestie started dating them, it's best to pull back from that budding friendship. Don't go around commenting on their Instagram posts and bar hopping with them. It's better to let your friend know they're your number one. This doesn't mean you have to hit the unfollow button or that you can't be social at parties. Just try not to be their closest confidant.

Related Link: [Celebrity Wedding: 'Vanderpump Rules' Stars Tom Schwartz & Katie Maloney Get Official Marriage License in Vegas 2 Years After Wedding](#)

2. Dating an ex?: You two really clicked and they might be, like, the love of your life. That doesn't make the situation as less tricky. Parse out if you *really* have feelings for this ex, that go beyond lust. Then if you're sure you need to be with them, go to your friend first. This doesn't mean you'll be free and clear from any negative fall out, but your friend will respect that you didn't go behind their back.

Related Link: [Celebrity News: Camila Cabello Opens Up About Anxiety Struggles](#)

3. Take your friend's side: Even if you don't agree with their bitching they likely need to vent about the relationship. Don't use this time to point out that their ex wasn't all the bad. After the breakup let your friend blow off steam for the

first few weeks. After that if they're still bitter, let them know it's not benefiting them to fret over the past.

By Katie Sotack

In [celebrity news](#), Cleveland Cavaliers player Tristan Thompson is being accused of causing pregnancy complications for his ex, Jordan Craig. The stress of being publicly ridiculed resulted in an order for bed rest and eventually, severe pregnancy complications.

In celebrity pregnancy news, Tristan's ex is blaming Khloe Kardashian for her pregnancy complications. What are some ways to keep stress from affecting your pregnancy?

Cupid's Advice:

Pregnancy is a wonderful time for mothers-to-be, but there's no denying the added stress of growing another life. Staying relaxed can help ensure a healthy and complication free pregnancy. Here are some ways to eliminate stress:

1. Get enough rest: getting the recommended 8-10 hours is essential to your mood and the babies health. Lack of sleep throws off your bodies regulatory hormones and adds to stress.

Celebrity News: Kaitlyn Bristowe Slams Nick Viall's Reasons for Joining 'The

Bachelorette'

By Megan McIntosh

Though they are no longer a [celebrity couple](#), Kaitlyn Bristowe is still has opinions about ex Nick Viall after their [celebrity break up](#). According to *UsMagazine.com*, though it was all fun and games, Bristowe didn't hesitate to diss her ex in a word association game saying Viall's name negatively in association with "the right reasons." Though it's been years since they've dated, it's clear there's still bad blood even after all this time.

In celebrity news, these exes are

clearly not on good terms after their break-up. What are some ways to keep old hurts from your exes from affecting your current life?

Cupid's Advice:

It can be hard to move on from an ex when you've broken up on bad terms. It's best not to let those old wounds reopen and keep you from living your life. It's not always easy to be friends with your ex, like Kourtney Kardashian is with Scott Disick, but it is possible to prevent that old relationship from holding you back like [Khloe Kardashian](#) after her break up with Tristan Thompson. Cupid has some tips:

1. Be comfortable moving on: Sometimes when you're afraid of being alone, you tend to hold on to toxic people. Holding on to exes who are not good for you can lead to being resentful and holding onto bitterness, like Bristowe with her ex Viall.

3. Don't talk about your ex: Don't talk about your ex-partner. Just don't. Talking about them is a sign that you're not over them. If you talk about them, you're thinking about them. If you're thinking about them, you're not moving on. Stop talking

about them and you will stop thinking about them and you'll finally move on to better things.

Celebrity News: Are Khloe Kardashian & French Montana Getting Back Together?

By Megan McIntosh

Though they were previously a thing, French Montana and [Khloe Kardashian](#) are not a [celebrity couple](#), according to *UsMagazine.com*. After Kardashian's divorce from Lamar Odom, she moved on with French Montana, but admitted that she "was not in a good place" when they dated. Now, after her breakup with Tristan Thompson, she is currently "not thinking about her love life at the moment" and is instead focusing on her daughter, True.

In celebrity news, it seems this rumor is unfounded. What are some reasons you should think twice before getting back together with your ex?

Cupid's Advice:

It can be difficult to know when it's right to rekindle an old flame. How do you know you shouldn't take that step and try getting back together; that it's time to really let it go and move on? Cupid has some advice:

1. Nothing has changed: What was the reason you broke up with your partner? Is that still an issue between you two? If nothing has changed since you broke up, then there's no reason to get back together. The issue will only re-emerge and cause a future break up.

Related Link: [Celebrity Break-Up: Adele & Simon Koneckis Call It Quits](#)

2. The reason you're returning isn't a good one: Why are you getting back together with your ex? Is it because you genuinely have a connection, or is it because you want closure? Never return to an ex because you don't understand

the break up. If you broke up, there must have been a reason. If that reason still stands, so should the break up.

3. It might be a rebound: Never rekindle an old flame for a rebound. If you broke up with someone, there's no reason to return to another ex as a rebound. If there's no emotional attachment, you can try to have fun. But, inevitably, feelings always pop up. If you want to rekindle with an old flame, it should only be you two involved in the why.

Staying on the same page with your child's parent when the two of you aren't together anymore can become difficult, especially when the other parent doesn't seem like he or she wants to be involved in actively co-parenting. Cupid has some tips on how to communicate more efficiently:

1. Communicate: You're both going to have to talk to each other eventually, and this can be hard if the breakup wasn't easy. But you will both need to speak to each other eventually for your child. And keep the conversations about the child only. Everything else isn't relevant.

Beauty Tips: 5 Natural Ways to Make Your Lips Look Fuller

By [Jessica Gomez](#)

Who doesn't want full, luscious lips? If you want to stay away from lip injections, like many of us, read this article and find out five simple ways to make your lips look plump. When we say "simple," we mean simple! These [beauty tricks](#) aren't rocket science, you'll see.

Here are five beauty tips for those of us craving fuller lips! :

1. The toothbrush trick: With this method, you'll be able to get two things done at once. Use a toothbrush to scrub your lips – this will boost circulation, making your lips look fuller. At the same time, it will make your lips soft! It's easy. You can use petroleum jelly or a lip scrub to exfoliate your lips.

2. Use lip plump gloss: You can choose to opt out of using your regular lipstick and lip glosses and instead use one with plumping ingredients. There are lip products that are made for the person who wants fuller lips without the injections. Apply it during your makeup routine and take it with you to retouch as needed. And remember, get one that is cruelty free (doesn't test on animals)!

3. Use essential oil lip balm as a base: Peppermint oil doesn't irritate the way cinnamon oil does, but you can use whichever you prefer. These oils will create a sort of swelling effect, though nothing drastic. Find lip balms with either of these ingredients and apply it to your lips before you apply your makeup.

4. Fill them out with lip liner: For this makeup trick, you're going to want to apply lip liner that is about a shade or two darker than your lips. Trace right above your lips with the pencil, not too high above (you'll look silly because it'll be noticeable). Next, fill in your lips with the same color, and voila, you've got fuller looking lips! This may remind you of sisters [Kylie Jenner](#) and [Khloe Kardashian](#), because they use this technique often.

5. Use two different lip colors: Aim for a nude color, as darker colors make the mouth look smaller. Apply one shade on your lips, next, apply the lighter shade to the middle of your lips. This will create the illusion of plump lips – yes, please! It's that simple.

Cupid's Advice:

It's not easy to tell your loved one that their significant other is a lousy person, especially when they aren't ready to listen to you. What are some ways you can tell them how you feel without the family drama?

1. Sit them down for tea or coffee: Don't let them know what you think about their S.O. publicly. Invite them over for a private conversation. Your loved one might not be willing to hear what you have to say about their spouse, but a private conversation in the living room will be more effective than a status post on Facebook about how much you hate the person your loved one is dating.

2. Let them know you realize they might not be ready to hear it: Don't name call and most certainly do not yell. Let them vent about the situation if they need to their feelings off of their chest. Having a conversation about your concerns over the person your loved one is dating with a level head and in a respectful manner will get your point heard faster than a petty back-and-forth through text messages.

Cupid's Advice:

In a lot of ways deciding to have another child can be even harder than deciding on having the first one. It's a bit more complicated now, but Cupid has some ways to decide how many children to have:

1. Think about timing: Ask yourself is it the right time to start trying again. Is mom ready? Because pregnancy and childbirth are stressful for a mother, even if everything goes right. Are you financially stable to provide for another child? How many children do you already have? Because one baby is expensive but a second is equally expensive.

2. Consider your family at this moment: Think about everything you've been through with the first child. Another child changes your family dynamic, it also challenges your relationship and routine you've already established. You have to question yourself and ask yourself what are you ready for and what is your family ready for?

3. Financial stability: As a parent, you already know how

expensive having a child is. However, some expenses are lessened because you already have things from the last child. There's also the long-term things like daycare and schooling added on to your daily expenses. According to USDA estimates, two-parent households spend's 27% of their income on one child, as the children multiply: two children 41% and three 47%. It's a lot to consider. There are a lot of doubts and what ifs, but let your decision come from your heart.

Cupid's Advice:

Being cheated on is a completely awful experience. Cupid has some signs to tell if your partner isn't being faithful:

Relationships should be open and honest and it's not right if your companion is refusing to talk to you about certain things. But, it doesn't necessarily mean that you're being cheated on, it could be something else your beau is hiding, so make sure to talk to him or her about it.

3. Constant fighting: Sure, the occasional fight is normal, but if your partner is constantly trying to pick fights with you, it could be because they are trying to validate their reason for cheating (as in they want to believe your relationship is already on the rocks). If your beau is being constantly defensive and looking for ways to start conflict, then they could potentially be cheating on you.
