If you and your partner are unsure of starting a family of your own, don't worry! Cupid has some [love advice](#) for signs to look out for to know when you might be ready to have children:

1. Mutual eagerness: If both you and your partner are constantly excited and eager to have children, and you're financially well-established, this could be a sign that you're ready for a family of your own. It's helpful if you both have a mutual support system between the two of you alongside the excitement, as well. It'll help when the whirlwind of pregnancy and parenthood approaches.

Date Night Makeup: Red Lipstick is Hot

B

y [Hope Ankney](#)

Everyone has that special connection with one of their makeup products or a piece of clothing in their wardrobe. It's that special connection that only it can give you – the air of confidence, the power of [beauty](#), and the reflection of radiance. So, what is it about red lipstick that has almost become a universal [beauty trend](#) that makes anyone that swipes it on feel untouchable? And, why do date nights that feature a red lip feel that much hotter?

Red lipstick has been a powerful beauty tool for ages. Make your date night soar with this pop of color.

The red lip has been one that's transcended history. Whether it was on royal figures, Disney princesses, or even [Kim Kardashian](#) on a dazzling red carpet, the color is the very

definition of beauty and grace. It's earned it's right to be a timeless and traditional form of feeling gorgeous and confident. If you're wanting to spice up your next date night, consider a few reasons why a red lip could help with Cupid's [beauty tips](#):

1. It's romantic: A red lipstick can automatically turn your look romantic. There's something about the color that reminds us of passion and love. Allie from The Notebook even rocked a signature red lip. So, if you want to liven up your look right before a date, we recommend keeping the rest of your makeup to a minimum while swiping on a beautiful coat of red lipstick before you rush out the door.

2. It's an attention-grabber: It's no surprise that red lipstick can make a woman feel invincible, but there are also studies that show a red lip is the most attractive color to wear. This hue is bright, bold, and it brings attention to one of the more sensual features of our faces. If you're wanting to instantly grab the attention of your date the moment they see you, we recommend using a bright, cherry lipstick. No one could resist!

Related Link: [Beauty Trend: Make Your Eyes Pop](#)

3. It embodies strength and femininity: The red lipstick has been a classic symbol for strength and beauty within women all throughout history. One of the most powerful women, Cleopatra, was known for her cherry-reddened lips. She would make others crush up thousands of beetles just to get the dark-pigment of this color. It even symbolized her power as she wore a beautiful red lip while her subjects' wore a dull and rusted tone on theirs. If you're searching for a color that is classy, polished, and bold for your next date night, pick up a striking red lipstick to feel powerful and in control.

4. It plays up youth: As we get older, our eyes, lips, and complexion get paler. It's just part of the aging process. But, there is something a red lipstick does that can liven you up and make you look more youthful with a term called 'facial contrast.' This contrast is the process of balancing out the paleness of our features with a vibrant color somewhere on our face. By using a striking red lip, it automatically flatters our skin. If you're wanting to create a more youthful and playful look for date night, we recommend one swipe of your most vibrant red lipstick before you head out!

Celebrity News: Jordyn Woods Parties with Khloe Kardashian's Ex James Harden

B

y [Katie Sotack](#)

It looks like more Kardashian exes are after Jordyn Woods! Model, Woods was seen partying at a Houston nightclub with NBA player James Harden, according to *People.com*. Celebrity exes [Khloe](#) and Harden ended things three years ago, but after Khloe's baby daddy Tristan Thompson made moves on Woods, the tensions between the superstar family and Jordyn over exes are high. Woods seems to be attracting all the same men as the Kardashian sisters, as she was spotted with [Kim's](#) ex Ray J as well. Though Woods claims she's as sorry and apologetic as she can be, Khloe maintains she never wants to see her again.

In [celebrity news](#), Jordyn Woods may be asking for more drama with Khloe Kardashian. What are some basic rules when it comes to friends'

exes?

Cupid's Advice:

According to Khloe Kardashian, her friendship with Woods is totally over. Yet with feelings still webbed between the two and their exes, does girl code still apply? Here are the laws of the land when interacting with a friend's ex:

1. Not too friendly: Unless this ex was part of the friend group before your bestie started dating them, it's best to pull back from that budding friendship. Don't go around commenting on their Instagram posts and bar hopping with them. It's better to let your friend know they're your number one. This doesn't mean you have to hit the unfollow button or that you can't be social at parties. Just try not to be their closest confidant.

Related Link: [Celebrity Wedding: 'Vanderpump Rules' Stars Tom Schwartz & Katie Maloney Get Official Marriage License in Vegas 2 Years After Wedding](#)

2. Dating an ex?: You two really clicked and they might be, like, the love of your life. That doesn't make the situation as less tricky. Parse out if you *really* have feelings for this ex, that go beyond lust. Then if you're sure you need to be with them, go to your friend first. This doesn't mean you'll be free and clear from any negative fall out, but your friend will respect that you didn't go behind their back.

Related Link: [Celebrity News: Camila Cabello Opens Up About Anxiety Struggles](#)

3. Take your friend's side: Even if you don't agree with their bitching they likely need to vent about the relationship. Don't use this time to point out that their ex wasn't all the bad. After the breakup let your friend blow off steam for the

first few weeks. After that if they're still bitter, let them know it's not benefiting them to fret over the past.

Richie remained in the States, attending events in New York and Los Angeles, including a gathering for Miranda Kerr’s Kora Organics.

In celebrity news, the words on everyone’s lips are, “Where’s Sofia?” What are some ways to keep your jealousy in check when your partner interacts with his or her ex?

Cupid’s Advice:

Despite the rumors that may be flaring up because Kourtney and Scott took their kids on a vacation, Sofia seemed comfortable enough to remain home so she could attend work events. Sometimes we can’t help it if our partner has to interact with their ex if they have children together. Cupid has advice on how to keep your jealousy in check:

1. Remember, your partner is with YOU: Your partner and their ex split up for a reason. Even if they are on friendly terms, you have to realize they didn't work for a reason. Your partner would not be in a relationship with you if what you have between you both isn't working.

2. They might not have a choice: This is especially true if your partner has children with their ex. Would you want to keep a parent away from their children? 3. Talk to your partner: If your jealousy and insecurities are getting the better of you, it's a good time to sit down and talk to your partner. Talk to them about how you feel. Chances are, they'll understand, and they'll help you put any worries at ease.

A source said, "Kourtney doesn't appreciate Younes posting his feelings in a public forum and being impulsive. The comment was deleted quickly, but the source said Bendjima "overreacted and put up a comment without thinking it through. Then he realized when he did made it even worse." But, despite the small conflict that was in the spotlight, an insider insisted that Kardashian is "very happy with" 25-year-old Bendjima and said the two are "in love."

This celebrity couple keeps proving their haters wrong. What are some

ways to keep outside influences from affecting your relationship?

Cupid's Advice:

Want your relationship to last the long run? Here are Cupid's tips on how to keep outside influences from affecting your relationship:

1. Be honest with each other: If you and your partner are always open and honest to each other and have complete trust, then it'll be very hard for outside influences to affect your relationship. If you build a strong foundation of confidence, your relationship can withstand any drama.

by [Jessica Gomez](#)

[Celebrity couple Kim Kardashian](#) and [Kanye West](#) are absolutely

adorable! In [celebrity news](#), West did not join Kardashian at the Met Gala, but we know why due to their tweets. According to [UsMagazine.com](#), West tweeted a photo of Kardashian in a Versace gown which she wore to the Met Gala, captioning it with 25 fire emojis. Does he think she looks hot or what? Kardashian did look absolutely gorgeous at the fashion event this year, so who can blame him? Kardashian replied in a tweet, “Love you babe wish you were here with meeeeeee but you’re only finishing up 5 albums.” Cute. She wasn’t alone though. Her mom [Kris Jenner](#) and her sisters [Kendall](#) and [Kylie Jenner](#) were also present. The [reality TV](#) stars were all looking beautiful.

In celebrity news, this duo misses each other when they aren’t together. What are some benefits to missing your partner?

Cupid’s Advice:

Every couple needs space, some more than others. It really all depends on who the people are. Missing someone can actually be a good thing though. Cupid has some benefits to missing your other half:

1. Distance does make the heart grow fonder: When you miss someone, you get that warm feeling inside that makes you think about how much you love them. This can stir up some cute and/or sexy texts, phone calls, or video chats. Embrace the distance instead of completely hating it. And when you see each other again, it’s on, let the in-person loving resume.

2. You’ll have more to talk about: Don’t get us wrong, when

the right people are together, they never run out of things to discuss. However, when you're away from the other person, you obviously have more to tell. This is a good opportunity to also work on your story-telling skills!

3. You both get to do your own thing: Whether you're out learning something new, doing anything productive, or just having fun – do you. Everyone can use time with their friends and family, and time for themselves. You can also come back and bring something new to the table after you both go out and do things because technically you guys are “covering more ground.”

"I'm sorry for keeping you in the dark through all the assumptions. I understand you're used to me bringing you along on all my journeys," Kylie said via Instagram on Sunday. "My pregnancy was one I chose not to do in front of the world. I knew for myself I needed to prepare for this role of a lifetime in the most positive, stress free, and healthy way I knew how. There was no gotcha moment, no big paid reveal I had planned. I knew my baby would feel every stress and every emotion so I chose to do it this way for my little life and our happiness," she explained. "Pregnancy has been the most beautiful, empowering, and life-changing experience I've had in my entire life and I'm actually going to miss it. I appreciate my friends and especially my family for helping me make this special moment as private as we could. My beautiful and healthy baby girl arrived February 1st and I just couldn't wait to share this blessing. I've never felt love and happiness like this I could burst! Thank you for understanding."

Well, this celebrity baby news wasn't just a rumor! What are some reasons to keep your baby news to yourself for a while?

Cupid's Advice:

There are a few reasons that you may want to keep your pregnancy under wraps for a while, just like Kylie Jenner and many others. Cupid has some reasons as to why:

- 1. You have a stressful pregnancy:** You just don't need nor want the stress. If you have a sensitive pregnancy where your

health and the one of your baby depends on you taking it easy, then hiding your pregnancy could be an option for you. If we feel like outside factors can cause us stress during a critical time, then as mothers-to be we must cut out those factors. Sometimes people can become over bearing when it comes to receiving baby news – so if you're around those kind of peeps, you know what it is.

2. You're superstitious and don't want to jinx it: This may not be logical to everyone. However, if it's logical to the mother-to be, then that's enough – it's her body and her baby. Sometimes certain people find reassurance and comfort in not telling people right away due to fear of a miscarriage or something going wrong. At the end of the day, as long as the baby news is delivered later rather than never, it should be enough.

3. Judgy peers: Whether these peers are at school or work, or are your neighbors, friends, or fam, sometimes they're just not the easiest people to deal with. At times, we may be surrounded by people who judge or gossip, and that can lead to you wanting to keep your pregnancy low-key. During pregnancy, drama should be avoided, so there's no shame in doing what you have to do.

These are just a few reasons why you someone may hide their pregnancy. What are some reasons you or someone you know hid a pregnancy? Comment below!
