This celebrity baby news is great to hear! What are some ways to compromise with your partner on baby names?

Cupid's Advice:

Choosing your baby's name is exciting, but can also be a bit tedious considering you and your partner should be in agreement with the name chosen. Cupid has some advice on how to get on the same page when it comes to the name of your tiny loved one:

1. Try using a compromising tool online: Babynamester.com has this tool, along with many suggested baby names for you and your partner to check out. The way it works is you enter the sex of the baby, then you and your partner each type in what your top baby names are. Next, you choose which one you each like best from your partner's list. And lastly, the site generates a long list of combined baby name preferences. Try it and see if it may work for you!

2. The Middle Name: One of you can choose the first name and the other one can choose the middle name. Many couples compromise in this manner. Although, choosing the first name is most likely ideal for both parties, the middle name is the one that gives the name uniqueness considering that not everyone has a a middle name, and on top of that, a middle name is a nice differentiating addition to a first name.

3. Combine the names: This isn't always possible, but it sometimes is. You can create a beautiful, unique name! For example in the hit *Twilight Saga: Breaking Dawn*, Bella (played by [Kristen Stewart](#)) combined the names she and her husband Edward (played by [Robert Pattinson](#)) liked: Renee (Bella's mom's name) and Esme (Edward's mom's name), resulting in the name Renesmee.

Celebrity love life rumors are nothing new! What are some ways to keep gossip from affecting your relationship?

Cupid's Advice:

Gossip can do serious harm to relationships, and can sometimes even be embarrassing. It can also ruin reputations even if it isn't true, and finding a solution can be difficult. Cupid has a few solutions to getting rid of gossip for good:

1. No confirmation: Just like Kristen's mom, do not give people any information on anything that involves you, as that just gives them more reason to talk. Instead, keep quiet and never confirm any information, so your relationship always stays a mystery.

Although the Robsten have remained friends since their split, it is possible this recent reunion could mean a reconciliation for

the two vamps.

How do you decide whether to get back together with an ex?

Cupid's Advice:

Every one and their mother knows exes just plain suck. However, sometimes giving an ex a second chance may lead to love and happiness. Cupid has some advice about how to decide whether to get back together with an ex:

1. Relationship: Think about your former relationship as a whole. What did you like about it? What didn't you like about it? Giving love another shot after it went wrong the first times means that you're really going to have to analyze what went wrong the first time around. Remember getting back together with an ex should be the exception, not the rule.

2. Breakup: Why did you two break up in the first place? If whatever caused your breakup is still an issue then it's unlikely giving the partnership another shot will produce good results.

3. You: The most important thing to consider is your own happiness. If this person makes you really truly happy then the answer about whether or not to get back together should be clear as day.

What are some ways to move on after your partner has an affair?

Cupid’s Advice

An affair doesn’t have to mark the end of your relationship if you and your partner don’t want it to. That said, getting over infidelity is far easier said than done. Cupid is here with some advice to help you move on:

- 1. Human frailty:** Your partner messed up. *Big time*. If you still want to salvage your relationship, though, realize that everyone makes mistakes.
- 2. Everything on the table:** Withholding your true thoughts and feelings from your partner will not do either of you any good. Playing nice will only mend things on the surface. Absolute honesty is vital to the healing process.
- 3. Discuss values:** Monogamy isn’t for everyone. If your partner isn’t capable of (or interested in) fidelity, you need to decide if this relationship is really worth saving.

What are some ways to cope with the aftermath of a fresh split?

Cupid's Advice:

Breaking up with a partner is never an easy pill to swallow. The pain of breaking up with someone you thought was the love of your life can feel unbearable. If it's a fresh split, you're probably feeling hurt, angry and sad – all of that is OK to feel! Cupid has some advice on how to get over the initial pain of a breakup:

1. Have a girl's night out: It's very important for you to have a support system once you break things off with your boo. You want to surround yourself with people who love you unconditionally and that's where your girlfriends come in. Have a movie night or dance away your sorrows at a club. You'll find it easier to get back to being yourself with your girls around.

2. Give yourself some time: Time is the best healer! Don't rush into a new relationship just to help ease the pain of losing someone you once loved. Be patient with yourself and let the tears fall. It's OK to cry over the lose of a relationship. In the end, you will feel and be better for it.

3. Stay active: Lounging around in bed for weeks may seem like a good idea, but it won't make you feel any better! You need to continue to do things you were doing before the breakup. Take up a new hobby, participate in an art class – do whatever you have to do to regain your focus in life. Once you're finally over your ex, you'll be glad you didn't hide under the covers the whole time.

What are some ways to recover after a tough break-up?

Cupid's Advice:

Break-ups can be confusing, lonely and extremely painful. Recovery takes time. Cupid is here with advice for how to make this difficult process easier:

- 1. Take time for yourself:** Enjoy the "me time" you might have been too busy for when you were in a relationship. Reopen some personal projects you put to the side. Watch your favorite movie. Eat your favorite food. You deserve it.
- 2. Don't blame yourself:** Relationships are complicated and break ups don't necessarily have to be anyone's fault. Don't wallow in self-criticism but don't vilify your ex, either. This is a time to heal and assigning blame won't benefit anyone.
- 3. Don't give up hope:** There's a reason why the saying, "There are plenty of fish in the sea" is cliché: it's true. Just because this relationship didn't work out doesn't mean you'll never find "the one." Don't stop looking.
