The couple first went public with their [Hollywood relationship](#) in November of 2016, walking the red-carpet hand in hand a month later. Winter, nineteen-year-old star of Emmy-award winning Modern Family, opened up to Kimmel about how she and twenty-nine-year-old Meaden make their [celebrity relationship](#) work when it comes to keeping

things up around the house. “He cooks. I can’t cook at all,” Winter laughed, “He takes care of all that handy stuff. He’s great, he does all that.” She went on to admit that she was “like the worst wifely person” and that while she does try to contribute by baking pies for her sweetheart every so often, she admitted, “he does everything else. It’s great.”

This celebrity couple is taking things to the next level! How do you decide whether to live with your partner or not?

Cupid’s Advice:

When it comes to moving in together, knowing when both you and your partner are ready to take the plunge can be tricky! Here are the top three ways to know if you and your significant other are ready to take things to the next level:

1. When it feels like a natural next step: If moving in together seems like the next logical thing to do in the course of a healthy relationship together, then don’t doubt yourself! It probably is. For a lot of couples, moving in together just seems to start making sense after awhile, especially if they’re anxious to spend time together but often find themselves too busy for regular date nights. Moving in together can be a great way to see each other more and enjoy a life together in every sense of the word.

2. When nobody feels pressured: If one or both of you feel pressured into making the move, then step back and consider why you’re feeling that way. Remember, just because you don’t want to move in with someone right away doesn’t mean you don’t

like them or even love them, it just means that you're not ready for that. That could be true for a host of reasons, and the same thing goes for your partner. If you start to feel like you're being pressured into making a big decision or you worry that your partner may feel that way, sit down and have a talk about your worries and clear the air. Communication is key, and you've both got to know you're on the same page when it comes to a huge change like this.

3. When you're basically already living together: If at this point one of you basically only has "their own place" for extra storage space for their stuff, it may be time to make the jump to officially living together. If you spend all your time together and always gravitate toward one or the other of your apartments, take the leap and move in there together. It will be a relief to have all your stuff consolidated into one space again, and it won't feel like such a chore trudging back to your own apartment after spending a week with your significant other at their place.

and David Foster

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention. One of which is new celebrity couple is stepping out in young Hollywood, while a more seasoned couple is prepping for a celebrity baby, and another is just getting things started. . But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions:

Celebrity Relationships That May or May Not Last

Ariel Winter and Levi Meaden: Looks like there's a hot young couple alert, because Ariel Winter and Levi Meaden have stepped out on the red carpet together making their celebrity relationship official after months of speculation. Winter is very smitten with Meaden, though it's not hard to blame her. He's cute, tall, and he's quite charming. She's a great catch as well. Both of them want to experience a fun, yet respectful relationship. Winter has no time for childish men. Being wise beyond her years makes it a bit difficult for her to find man that she connects with. That's where Meaden comes in. He has no problem with a smart woman whose fiery so they are a good match. Fun is the theme of this celebrity couple and they may even learn a thing or two about love. After Meaden, Winter will end up dating an older man.

Bradley Cooper and Irina Shayk: With a baby on the way and rumors swirling, Cooper and Shayk have everyone wondering if they are engaged. Shayk has a new mystery ring on her finger. But since she hasn't had the baby yet, it's safe to say that it's probably not a push gift. My psychic senses say that they plan to have a secret celebrity wedding to seal the deal. Cooper is all about family and he thinks it's time for him to settle down now that a baby is on the way. He wants to give married life a try since he's seen it work for other longtime Hollywood bachelors. Babies bring about happiness and emotions so it's a wonderful time for Cooper and Shayk. While I would love to say it will be all unicorns and rainbows for these two, that's not the case. They are a bit like a roller coaster. There's a lot of up and down. Right now things are up due to the excitement of the baby. There needs to be a

discussion about that each one of them wants in a marriage or they will last about three years tops.

David Foster and Christie Brinkley: Looks like David Foster and Christie Brinkley are spending some quality time together. Actually it's more like there's been one date or two. However with celebrities, one date could mean an engagement in two months. It's safe to say that Foster has a thing for models since some of his ex-wives were models or beauty queens. While Brinkley seems to like a man with some musical talent since her longest marriage was to singer Billy Joel. This isn't Foster or Brinkley's first time at the rodeo, both of them have a lot of relationships under their belt. If they get married it will be the fifth wedding between each. Maybe the fifth time's the charm? Hold up on the celebrity wedding invitations. This relationship is simply two good looking, age-appropriate people enjoying each other. Marriage does not look like it's in the cards. That is not to say that this romance won't last. It's always nice to have a "maintenance person" on speed dial when one is looking for love. I predict that we won't ever know all the details of their romance, they will keep us guessing.
