Cupid's Advice:

Does anyone really know how to keep things simple when love could be on the line? Cupid has some tips on how to keep things casual at the beginning of a relationship:

1. Be comfortable, but don't get comfortable: A casual relationship allows you to spend time with someone you are attracted to and sincerely like being around. But aren't ready to share your secret stash of voodoo dolls with. You should be able to have fun, keep things light. Don't talk about anything too deep. Just enjoys each other's company.

2. Keep your emotions on a leash: Emotions are a crazy thing. It's easy to believe at times that you've fallen in love with this person. If this happens spend some time apart and see how you feel afterward. If you find yourself getting jealous either tell them or get out as soon as possible. Don't be ruled by your emotions in a casual relationship.

3. Be honest with yourself: Are you ok with casual? Are you ok with seeing other people? Are you looking to be in a relationship? Make sure you ask yourself these questions. Because you don't want to end up in a casual relationship when you want something more. And yes, it could turn into more, but what if doesn't? Are you ok with that? Be sure that you know what you want before jumping into a casual relationship.
