# In celebrity news, Machine Gun Kelly credits Megan Fox for helping him become a better person. What are some ways a relationship can change you for the better?

## Cupid's Advice:

There are many benefits to being in healthy and loving relationships, some of which may personally make you a better person. If you are looking for some ways a relationship can change you for the better, Cupid has some advice for you:

**1. More responsibility:** Relationships come with a lot of responsibilities, from maintaining open communication to tending to the feelings of your partner. By taking on some of these responsibilities when getting into a relationship, you will gradually become more mature and better equipped to maintain other relationships and friendships in the future. This ability to handle more responsibilities can also translate to other areas of your life, such as your professional life.

# In celebrity couple news, Megan Fox has moved on from Brian Austin Green with Machine Gun Kelly. What are some ways to keep hurting your ex to a minimum when you move on with someone new?

## Cupid's Advice:

Once you break up with someone, it can take your ex a little bit longer to get over the relationship than it did for you. If you've moved on with someone else after a break-up, but you don't want to hurt your ex, Cupid has some advice for you:

**1. Just tell them:** Although this may seem like a hurtful tactic, letting your ex know before they find out from social media or a mutual friend is going to work out in their favor. This way they have time to adjust to your new relationship and when someone else brings it up to them, they won't be surprised at all.

**2. Don't be spiteful:** Your ex may still be going through a rough time getting over you while you're in this new relationship, so don't do or say anything that you know would make them upset. Even though you may not be doing anything intentionally to hurt your ex, you could still be hurting them. Take a broader scope to all of your actions and do your best to be considerate of their feelings.

**In celebrity news, Brian Austin Green came forward with a cryptic post, potentially referencing his wife Megan Fox after she was spotted with another man. What do**

# you do if you suspect your partner is being unfaithful?

## Cupid's Advice:

Infidelity can plague and ultimately ruin a relationship especially if one partner finds out about the other's bad behavior. If you suspect your significant other of cheating, Cupid has some advice for you:

**1. Talk to them about it:** Before you draw any conclusions, you need to have a chat with your partner. Something you may have seen or heard could have been misinterpreted or only a portion of the full story. While this is an extremely emotional situation, it's important that you leave your aggression at the door. Go into the conversation with a level head and open mind in order to understand the weight of what your partner has to say.

**2. Analyze the situation:** Once you've heard your partner out, it's up to you to decide what to do with that information. Take some time to think about the situation and your feelings for this person. Is this something you're willing to work through? Can your relationship move past this? Once trust is broken in a relationship it can be very difficult to get back to where you both were. Even though you may love this person, you need to put your mental health first. Decide if this relationship is worth repairing or if it's a better decision to move on.

**3. Find your support network:** If you've decided that your

relationship cannot move forward after infidelity, it's important that you have a support network to help you through this time. Dealing with a cheating partner comes with a lot of hurt and feelings of betrayal. Surround yourself with friends and family and always save time for self-care. This group of people will be there to help you through every step of your breakup and when you're ready, they'll be by your side when it's time to date again!
