

Movie Review: 'A Bad Moms Christmas' Is A Spirited Sequel Full Of Laughs

A BAD MOMS CHRISTMAS

By [Mari](#)

[ssa Donovan](#)

Bad Moms was the just beginning for the hilarious mom squad. *A Bad Moms Christmas* is the follow-up feature that shows the lives of Amy ([Mila Kunis](#)), Carla (Kathryn Hahn), and Kiki ([Kristen Bell](#)) during the chaotic winter holiday. The friends decide to rebel against the tradition of coordinating the holiday for their families and new love interests. Plans to relax during the holiday seem to go haywire once their own mothers stop by for a visit.

This holiday movie can provide us with [relationship advice](#) for the holidays!

Should you see it:

If you laughed over the crazy shenanigans from the last movie, you are bound to giggle over the raunchy humor and relatable mom jokes this film will provide.

Who to take:

This is definitely a girls' night out movie. Take a break from shopping, and go with your friends! Due to the adult humor in this film, it's best to let someone watch your kids instead of bringing them to the theater with you.

Cupid Advice:

In *A Bad Moms Christmas*, Amy's love interest Jessie Harkness (Jay Hernandez) has his children celebrate Christmas with Amy's kids. Amy tries to juggle looking after their children, getting ready for the holidays, and maintaining a relationship with Jessie. Like Amy, the holidays can be stressful for anyone in a new relationship. Here are some ways to keep your family and new partner happy during the holidays:

1. Take two large shopping trips separately: Shopping with your partner and your family can be stressful. Between secretly buying gifts for each other or losing each other in large crowds, it can make you want to pull your hair out! Instead of going together, plan two shopping trips. One trip can be spent with you and your partner, and the other trip can be spent with your family. It will be less stressful and you get to surprise each other with the gifts that you get!

2. Decorate your home together: Bring out your holiday decorations, and let your partner and family bond over getting into the spirit of Christmas! Your partner can help your children put a star or angel on the top of the tree or wrap the tree with lights. Everyone will enjoy getting festive as a family!

3. Prepare a meal as a family: Instead of leaving all the cooking up to you, let your partner and family help. They can join in on creating Christmas cookies or even mashing the potatoes. You will be less stressed out and your partner will get to know your family traditions when it comes to food!

Celebrity Exes: Tyga Won't Be Getting Back Together with Kylie Jenner

A BAD MOMS CHRISTMAS

By [Mari](#)

[ssa Donovan](#)

This couple is apparently never getting back together. Tyga has no bad feelings towards Kylie Jenner, but has no intentions on rekindling their past romance! According to [EOnline.com](#), Tyga blames their relationship for giving him bad press in the media. The rapper likes to keep his relationships a little more private, while the cosmetic designer likes keeping her romances public. Although the former [celebrity couple](#) had their happy moments, it's safe to say they have both moved on.

There won't be any happy reunion for these [celebrity exes](#)! How do you know when it's best to leave a past relationship in the past?

Cupid's Advice:

Reflecting on a past relationship is something you may catch yourself doing when thinking about an ex. Here are some ways

to know it's best to return to an old relationship:

1. You're already dating other people: If you are already dating or have a connection with someone else, there's no need to go back to your ex. There's plenty of other people you could be having a fresh start with! Returning to an ex will only waste your time in the long run.

Related Link: [Celebrity Couple News: Kylie Jenner & Boyfriend Travis Scott Are 'Serious'](#)

2. You can remember the bad times: Like Tyga, if you can remember when things were really bad, you can imagine your life becoming bad again. If a relationship felt toxic or made you feel unhappy, a reunion has no guarantee on making things better.

3. You haven't spoken since the break-up: Sometimes break-ups can keep things silent between you and your ex. You could also be on speaking terms as well. If you have not had a full conversation with each other, then is a good way of knowing you and your ex have no desire to return to the past.

Strawberry Shortcake Ice Cream: To achieve this intricate makeup look, you will need a headband, a glue gun, white clay, plastic strawberries, ice cream cones, white

and red face paint, red lipstick, and liquid latex. Create a headpiece for your ice cream by gluing large and thick white clay ovals on top of your headband that resemble melted scoops of vanilla ice cream. The next step for the headpiece is glue large ice cream cones onto the white clay ovals to your best ability. Use extra glue around and under the cone to define the layer of strawberry sauce and paint your glue areas red. For your face, use liquid latex and attach the plastic strawberries to the desired areas of your skin. Paint your face with white face paint like the image seen below and then coat your eyebrows in red face paint. Finish this adorable look with red lipstick, and wear the headpiece that you created!

First dip your cotton balls into a light blue liquid and squeeze out all the liquid from each one. Let the cotton balls dry before gluing them on to the white wig. Once the cotton balls are glued to the wig, put on the wig and take the

pink creamed ice shadow and gently brush the cotton balls that are around your face. Make streaky and dripping like lines of ice cream by using the pink and white creamed eye shadow. Lightly blend in the light blue shimmered eye shadow on your eye lids and use the aqua blue liner on top of your lashes. To finish the look, coat your lips with the light pink lipstick!

The *Scream Queen* co-stars have called it quits after eight months of dating. Taylor Lautner and Billie Lourd started dating last December and posted many adorable photos together. According to [EOnline.com](#), Lourd's uncle Todd Fisher shared that Lautner acted like a supportive husband while the family grieved over the loss of Lourd's mother Carrie Fisher and her grandmother Debbie Reynolds. No comments from the stars have been made addressing why they split.

It sounds like Lourd's family could be sad over this [celebrity break-up](#). How can you share the news to your family about your recent

break-up?

Cupid's Advice:

Revealing an update about your current love life to your family can be sometime be uncomfortable, especially when it's a break-up. Here are some tips on how to talk about your recent break-up to your family:

1. Be honest without oversharing: Let them know your side of the story without sugar coating any details. It's always good to be honest with your family because it will make them understand what you are going through! You are allowed to leave some minor details out, because some quirks in your relationship should be between you and your ex.

2. Advise your family on how to respond: Tell them how you would like them to act during this time. Their first reaction might be to be spiteful towards an ex. Advise them to be silent on the issue or optimistic about your future love life. This will set the overall tone on how they will respond to your break-up!

3. Ask them not to bring up past memories: Your family may have loved or hated your ex, but let them know right now is not the best time to recall past memories of the relationship. You probably have been overthinking your break-up as is, so having a family member put in their two cents doesn't help the situation. Ask them to not bring up your ex until you are ready to talk about old memories.

Celebrity News: Sophie Turner Says Dating Joe Jonas Is 'Like Living in a Fishbowl'

A BAD MOMS CHRISTMAS

By [Mari](#)

[ssa Donovan](#)

Sophie Turner is absolutely sick of having her relationship under a microscope! According to Marieclaire.co.uk, *The Game of Thrones* star shared that she's very happy with her relationship with Joe Jonas, but hates how the mundane moments of their relationship are being photographed. Jonas, who has a

dating history of past [celebrity relationships](#), seems to be used to the public attention from fans and paparazzi. Hopefully the couple can work past this issue that comes with being a [celebrity couple](#)!

This [celebrity news](#) has us realizing the unique challenges celebrities face in relationships. What are the most common place challenges “normal” couples face, and what should you do about them?

Cupid's Advice:

Your relationship can come with problems no matter how long you and your partner have been together. Here are some common problems couples run into while being together and how to fix them:

1. Communicating: One of the easiest relationship problems to solve is also the one that's the hardest to follow through with. Communicating feeling and problems in your relationship is very important and has to be done if you both want to stay together. If you struggle with sharing your concerns while being together, see a couples therapist to help translate emotions that you and your partner are experiencing!

2. Respecting Boundaries: Like Sophie Turner, boundaries might be your biggest issue with your relationship! Whether it's family members or your partner, sometimes they can cross the line on discussing uncomfortable issues or invade your

personal belongings. Although it may feel awkward at first, confront them by addressing how you feel about their behavior and ask them to please stop. If they do not stop the unwanted action, then seek advice from a couple therapist who can personally help you tackle the issue.

3. Jealousy: This problem is annoying and can sometimes make a person feel ashamed during their relationship. The person who is feeling jealous needs to admit the emotion and discuss their feelings. The other partner can accept and reassure their relationship is fine, or find a minor way to fix the jealousy problem. For example, if a partner is jealous of a co-worker, explain that it's just a business relationship and avoid an outside relationship with the co-worker. Jealousy comes in many forms, but it can be resolved through communication!
