Celebrity News: Mary-Kate Olsen's Transformation From Tabloid Queen to Happy Homebody

By

[Delaney Gilbride](#)

In [celebrity news](#), it looks like *Full House* alum Mary-Kate Olsen has gone from actress, to fashion designer, to a happy homebody! Way back in the early 2000's, Mary-Kate and her twin sister Ashley Olsen were taking over tabloids left and right in relation to some good and bad publicity. The two were known for their clothing lines such as The Row and Elizabeth and James while Mary-Kate was being targeted for feuds and her treatment for anorexia back in 2004. The same year the 30 year-old actress retired from acting, Olsen started dating 47 year-old Oliver Sarkozy, half brother to former French President Nicolas Sarkozy. According to [EOnline.com](#), tabloids labeled their relationship "grotesque" and "twisted", leading the couple to keep their [celebrity relationship](#) under wraps. In a [celebrity interview](#) with *NET-A-PORTER.com* magazine, Olsen opened up about her surprise marriage with Sarkozy back in November 2015 and life at home with the family saying, "I have a husband, two step-kids and a life; I have to go home and cook dinner. I run on the weekend. You find the thing that helps you relax and if you don't have it, you have to look for it."

This [celebrity couple](#) is finally owning their relationship and we couldn't be happier! What are some ways to be unapologetically YOU?

Cupid's Advice:

Being yourself can be hard when you have people constantly monitoring and judging your every move – just ask Mary-Kate Olsen. It has us wondering, how can we be unapologetically ourselves? Cupid's here with some quick tips:

1. Stop caring about what people think: This is the main reason why people are afraid to be themselves; there's judgement *everywhere*. Why should you care what other people think when they're insignificant to you? YOU are the source of your own happiness, you don't need anybody else to be the judge of that!

By

Louisa Gonzales

Mary-Kate Olsen has a few ideas in mind of what she wants her

wedding dress to be, but one thing for sure is it will be extra special. According to UsMagazine.com, the actress and fashion designer, 27, is planning her wedding with Olivier Sarkozy “one step at time,” and that includes finding or designing the perfect gown. Reportedly the former child star thinks it’s “a matter of getting five or six or making two or three” when it comes to her wedding dress, but says she has a lot of time before she stresses herself out about that and instead is focusing on designing a friend’s gown with twin sister Ashley Olsen. Celebrity Couple Predictions: Mary-Kate Olsen, Eva Mendes and Amal Alamuddin

By

[Shoshi](#)

For today's column, let's take a look at three celebrity couples that are on top of the media's radar— whether it's because of an odd pairing, an on-and-off-again relationship, or a surprising new coupling:

Mary-Kate Olsen and Olivier Sarkozy: The former child star turned fashion designer is rumored to be engaged to the banker, although she has yet to officially confirm the news. When this engagement was first announced, there was a collective “ew” heard around the world.

Olsen is 27 years old, while Sarkozy is 44 years old – but one can say that Olsen has experienced a lot in her 27 years. Therefore, their 17-year age difference shouldn't be a major factor in this relationship. It's the visual of seeing them together that makes people stop and ponder a bit. She's a petite youthful-looking pixie, while he's over a foot taller than her and looks every bit of his four decades. In other

words, he looks more like her daddy than her fiancé. Seeing the two of them with his teenage daughter definitely makes you do a double take!

Since Sarkozy and Olsen have been together, she seems to be completely drama-free. The two already live together in a six-million-dollar home in New York City, and the fashion designer has shown how she will be as a stepmom to Sarkozy's two children. So the next step appears to be marriage. I can see them getting married secretly and having a baby together before the relationship hits a major bump.

Related Link: [Mary-Kate Olsen Is Engaged to Olivier Sarkozy](#)

Eva Mendes and Ryan Gosling: Are they together or not? That's the question. The two of them haven't been photographed together for over three months. In the midst of the break-up rumors, she has been seen walking his dog, while he has been seen driving her car and peeking over her fence. One report even had the actor rekindling his relationships with his *The Notebook* co-star Rachel McAdams, who he admitted was his first love.

Maybe the twosome are just having fun and like to keep us all guessing. It could also be a way to get people interested in Gosling's directorial debut *How to Catch A Monster*, which Mendes stars in.

In looking at their relationship energy, I feel like these two can't figure out what they're doing. Either they commit to each other 100 percent and get married or buy a house together, or they split and move on. Part of why they're staying together is their comfort level.

Also, might I add that it looks like things in the bedroom are quite fabulous. Let's keep it real: Good loving will make anyone stay around a little bit longer!

Related Link: [George Clooney Vacations With Rumored New](#)

[Girlfriend Amal Alamuddin](#)

George Clooney and Amal Alamuddin: It has finally happened: Clooney is dating a woman who has beauty *and* brains. This isn't to throw any shade at the lovely ladies he has dated in the past, but his new girlfriend has some major girl geek credentials. Alamuddin's resume includes a career in international law, fluency in French and Arabic, and a degree from Oxford. Plus, she's an author.

Some say that she's way out of Clooney's league. While the actor is no Oxford grad, he is deeper than some of his former dating choices. Let's not forget that he normally makes his intellectual statements in the movies that he produces and directs.

There is speculation that he staged the recent photos of the couple in New York because he's upset that his ex Stacy Keibler got married and is expecting a baby less than a year after their break-up. I won't go so far as to say that Clooney cried over Keibler's big news, but it bruised his ego a bit. He's used to his exes looking a little pitiful in the press when he drops them, whereas the beautiful blonde rebounded with a win.

His relationship with Alamuddin will have a typical Clooney run. She will accompany him to events, vacations, and other high-profile outings. However, she will bore of him versus him getting bored with her. She's a woman of many layers; Clooney picked a lady who will give him a run for his money.

Mary-Kate Olsen Is Engaged to Olivier Sarkozy

By

Louisa Gonzales

Looks like Mary-Kate Olsen will soon be walking down the aisle. According to UsMagazine.com, Olsen is now engaged to her long-term boyfriend of roughly two years, French banker Oliver Sarkozy. The couple who first made their public debut back in 2012, have been going strong for years now and even live together in a \$6.25 million townhouse, despite their major age difference. Olsen is 27 while the half-brother of former French president Nicolas Sarkozy, is 44. Sources reveal Olsen's family is happy for them and "love" Sarkozy for her. The real question though is will twin sister Ashley, whose

also dating an older man, be the maid of honor?

What are some things to consider when you're dating an older man?

Cupid's Advice:

Finding genuine love is hard and so is finding someone you connect with. Love can come in all shapes and forms. If you found love with someone older it doesn't make your love any less important or significant. However, no matter who you are with there are going to be challenges. Cupid has some advice on things to consider when you're in a relationship with an older man:

1. Does he have children: One of the biggest things to consider before getting involved with an older man is does he have kids? Kids aren't necessarily a bad thing, but you will have to understand him having kids probably means he will want to devote a lot of time and attention to them. You need to ask yourself if you are okay and willing to become a part of an already established families life.

2.He's been around longer: Having a partner who is older, not only means they will most likely have more experience than you, buy also more baggage. Are you willing to accept everything that comes with them? You older beau might have an ex-wife, his own home,or may have already experienced things you haven't yet. You might miss out on sharing certain "firsts" together, so ask yourself if you are okay with that.

3. There's a future: You need to ask yourself if you're both want the same things in terms of a future. Both of you might

be at similar points in your life now, but it might not always be that way. Like any relationship you're hoping to build long-term, you need to have similar outlook on life and there has to be a strong connection both physically and emotionally. With your lover being older will you still be attracted to him ten years from now or are you emotionally ready to be in a relationship with someone who is maybe more mature?

Mary-Kate Olsen and New Beau Olivier Sarkozy Work Out Together

Ma

ry-Kate Olsen and businessman Olivier Sarkozy are all about getting physical... in the gym. The all grown-up Olsen twin and her new 42-year old partner were caught training side-by-side last week at a private gym in a West Village neighborhood in New York City. The couple hit the elliptical machines and did dumbbell presses together, though they also left time for pleasure. A source tells USmagazine.com, "They were smiling a lot and very cute with each other" as they worked out close together. Despite their 16 year age difference, the fashion designer and her new beau seem to have at least one thing in common: strengthening their bodies as a couple.

How do you stay healthy as a couple?

Cupid's Advice:

Finding ways to be healthy with your significant other is a great way to spend extra time together while also being productive in the process. Here are some great ways to keep you and your honey on a healthy track:

1. Early morning runs in the park: Going for a morning run with your sweetie is not only healthy for you both, but can also be romantic if you are lucky enough catch the sunrise.

2. Farmer's market: Choosing fresh, local fruits and vegetables is great for your health. Making it a date with your honey allows you both to pick the healthy foods you'll be eating.

3. Tango class: Not only is learning new dance moves a great way to pass the time, it will keep you and your love healthy and in shape.

New Couple: Are Mary-Kate Olsen and Olivier Sarkozy Dating?

The mature businesswoman Mary-Kate Olsen thinks the 42-year-old Olivier Sarkozy is just right for her. The two have been reportedly dating for over a month now. A source for UsMagazine.com says Olsen's choice to date a man 17 years older than her is because "She got the kid out of her system. Now being a businesswoman dominates her time, and she is rarely impressed with guys." The new couple seems very content with where they are, having recently attended a Knicks game as well as spent Memorial Day weekend together in the Hamptons. Maybe the age difference will end up working out for Olsen and Frenchman Sarkozy.

How can you tell if your partner is mature enough for you?

Cupid's Advice:

Most of the time, people will be on a different maturity level than what their age defines them as. It's all about finding the perfect fit for where you are. Here are some tips to tell if your partner is mature enough for you:

1. Settled Down: Usually if someone has decided to settle down in one place with a stable job, then they've reached a level of maturity where they want to get serious, and that's a good sign.

2. Life Goals: You can usually tell a person's maturity level based on what they want to do in the future. They must be striving towards goals that will make them successful and happy, and that's who you want to be with.

3. Recent Relationships: Try doing a little background check on your partner. See why they chose the paths they did in life, and maybe why their most recent relationship ended the way it did. It will tell you a lot about what they want and what they're serious about.

Beastly featuring Vanessa Hudgens, Alex Pettyfer and Mary-Kate Olsen

Beastly, a modern day depiction of *Beauty and the Beast*, tells the tale of Kyle Kingson (Alex Pettyfer), the ideal handsome high school student who has anything he could ever want. His only downfall is his love for picking on those inferior to him. Things take a turn for the worse after Kyle ditches a goth girl (Mary-Kate Olsen), who casts a spell and transforms Kyle into a hideous creature. The spell can only be broken if he can find someone who's able to love him for his inner qualities. Kyle's father (Peter Krause) isn't one who can do this, sending Kyle off to live in Brooklyn where he vows to protect a local addict if he lets his beautiful daughter (Vanessa Hudgens) live with Kyle. Over the course of the film, this couple forms a deep relationship unlike anything Kyle had in high school.

How important is physical attraction in a relationship?

Cupid's Advice:

Sure, good looks draw attention, but how far does that really go? Cupid has a few things to consider and other important traits to look for when finding a long-term mate:

1. Old age: As gruesome as it sounds, everyone gets old, and looks will fade in time. Dating based entirely on physical attraction probably isn't the best idea.

2. Carrying conversations: Probably the best long-term commitment is one where you and your partner are able to sit down and talk for hours about anything ranging from current events to your deepest feelings. Once looks are gone, the only thing left is your ability to communicate.

3. Moral character: You may get along with someone on the surface, but if you're not on the same page morally, your relationship may be doomed. The longer you're in a relationship, the more moral character plays an important part.

Mary-Kate Olsen Starts Dating a Shoe Designer

Ma

ry-Kate Olsen is in a new relationship with shoe designer Seth Campbell, according to UsMagazine.com. The two have been spotted at multiple New York City hotspots including celebrating a mutual friend's birthday together at NYC's Lavo.

"They've been able to have a few dates on the down low. He's a downtown kind of guy, likes to party every now and then," said a source close to the couple.

How soon should you debut your relationship to your friends?

Cupid's Advice:

It's possible to introduce someone you just started seeing to your friends too quickly. Here are some points in a relationship when you should consider having your partner meet your friends.

1. When you're exclusive: Once you're completely committed to one another, it's time for your partner to meet your friends if they haven't already.

2. When you're on a group vacation: Going away together, even in a group, is a big commitment. Take the time to introduce yourselves as a couple to your friends while soaking up some rays.

3. Once you start seeing each other regularly: If the person you are seeing becomes your guaranteed Friday and Saturday night date, it's probably time to introduce him or her to your friends so they don't start feeling neglected.
