3. Take it slow: Most importantly, remember that there's absolutely no need to rush into anything. Take things one step

Beauty Tips: Colored Eyeliner

By [Melissa Lee](#)

The beauty world is constantly changing, and sometimes it feels a little difficult to keep up. On top of that, it can get easy to get super bored with your every day makeup routine. There are plenty of ways to rock this look, regardless if you're looking to go

bold or subtle. Head below to check out ways to wear colored eyeliner this season.

Check out some of Cupid's beauty tips on how to rock colored eyeliner below!

1. Start light: If your every day makeup look is relatively neutral, try starting with white eyeliner. This look has been rocked by celebs like Kerry Washington, who made white eyeliner look super classy on the red carpet. Paired with a natural eye look, line the your eyelids with white eyeliner. If you're feeling a little bolder, try a cateye by adding small flicks to the ends.

2. Blue is the new black: Lady Gaga is notorious for ditching black eyeliner for blue, and has been showing this look off on her tours. Take a page out of Gaga's book with this neon dream. Sweep a fun eye shadow color over your lids (green, pink, even purple) and pair with neon blue eyeliner on your waterline.

Extend the eyeliner a little past your lids for a cute cateye look and you're all good to go!

4. Reverse it: Dianna Agron tried reverse eyeliner out on the red carpet last year and we're obsessed! She lined her lids with regular black eyeliner (a cateye, of course), but made a bold statement by sweeping neon pink eye liner on her

waterline. This graphic look is guaranteed to stand out, especially when paired with neutral lips and face makeup.

Fitness Tips: 5 Most Effective At-Home Workouts

By [Melissa Lee](#)

When you're trying to maintain a healthy lifestyle, getting to the gym all the time can get a little tough. If you have a busy day-to-day schedule, sometimes doing your workouts at home may be the way to go. Don't worry about getting a decent workout in, though – check out a few of these at-home exercises to ensure you keep your healthy habits going.

Head below to check out some fitness tips: most effective at-home workouts to do when you're too busy to get to the gym!

1. Dumbbell squats: This exercise is perfect if you're trying to workout your legs and butt. It's essentially a regular squat, but you're also using dumbbells to increase the weight being applied. This is super beneficial and intensifies the workout. Do as many reps as you can in one minute, then repeat.

2. Pushups: Although they're everyone's least favorite workout (upper body exercises are definitely a pain), pushups are extremely beneficial. Pushups are fantastic for your upper body strength (arms, chest), plus they work your core. Make sure you're doing the right form to prevent getting injured!

3. Sprint in place: So you don't have time for the gym or to go out on a run – no problem! Try sprinting in place for 20 seconds, then repeat three more times. Running is a great exercise to get in the habit of, and it's even better to start or end your workout with. It can be painful when you first get started, but eventually you will start to get better, making a notable improvement.

4. Squat thrusts: This workout isn't the most well known, but we can walk you through it. Start by lowering into a squat and placing your hands under your shoulders, then jump down into a full plank position. Make sure you're keeping your abs tight to get the most out of this workout as well. Do as many reps as you can for 20 seconds, then repeat three more times.

5. Dumbbell shoulder lifts: Stand with your feet apart (about hips distance apart), holding dumbbells with your arms bent in front of your shoulders. Hold your core tight and extend your arms overhead (be careful with this one!), then lower the weights. Do as many reps as you can for one minute, then repeat once more.

Fitness Tips: Staying Healthy During the Holidays

By [Melissa Lee](#)

The holiday season is all about family gatherings, giving (and receiving) gifts, and *food*! Regardless of what you celebrate during the holidays, there is bound to be a ton of delicious food that seems almost impossible to resist. If you find yourself having a difficult time staying healthy during the winter season, don't stress too much. We've got you covered with a few ways to look (and feel) your best!

Check out these fitness tips on how to stay healthy this holiday season!

1. Stay hydrated: this is just a general, every day fitness tip, but water is super important. This becomes even more crucial if you are traveling a ton, especially if you're flying. Make sure you are drinking plenty of water on the days you spend the bulk of your time on a plane, train, or bus. Plus, when someone offers you an alcoholic beverage or sugary drink or dinner, turn them down and opt for a glass of water instead. It's a great way to avoid consuming empty calories.

2. Skip dessert: although it's completely justifiable to sneak a cookie or two post-family dessert, try not to go too overboard. After a huge holiday dinner, eating too many desserts can simply lead to unnecessary weight gain and just feeling awful the next day. If there's any fruit, try to stay near the healthier options instead of sampling every cake available.

3. Snack wisely: when traveling, staying healthy might not be on the very top of your priority list – trust us, we get it. But when you're at the train station or airport, instead of stopping at a chain restaurant for a sugary snack filled with

calories, pick up something healthier and equally sustainable like a granola bar. This small tip will most definitely go a long way, plus it's a great habit to have!

4. Rest up: the holidays can very quickly become a very stressful and busy time, so it's important to take some time for yourself. Enjoy your time off by having a few moments just for you. Take a relaxing bath or shower or even take a walk on your own. Small things like this are beneficial for both your mental and physical health!

5. Stop yourself from overeating: even though all the food at dinner will be absolutely delicious, try your best to avoid overeating. Remember that overeating can certainly lead to being bloated, and a difficult mental state will prevent you from feeling good. It's okay if you want to sample a little bit of everything, but pay attention to how full you're becoming.

3. Think forward: Do you see yourself having a future with this person? If you are dating seriously, it's important to think forward about whether or not you think things will last.
