Nicole Richie Opens Up About Marriage with Joel Madden

By Laura Seaman

Nicole Richie recently opened up on Oprah's *Where Are They Now?* show and told viewers what it was like being married to rock star Joel Madden. The pair has been married since 2010 and have two children together, Harlow and Sparrow. "We met and we were partners from day one," says Richie, quoted on UsMagazine.com. When asked about motherhood, Richie commented, "I do know I do the best that I can. I'm probably constantly—every day—talking to other moms figuring out the best way to have a strong relationship with our kids."

What are three things that make for a steady marriage?

Cupid's Advice:

When you get married, you want it to last forever. After all, that's what "till death do us part" means. However, not all marriages last forever. To avoid letting your marriage fizzle out and break apart, do the best you can to keep the relationship steady and passionate. If those words stump you, here are a few tips to help you along the way:

1. Have the same goals as a couple. This should really be figured out *before* you get married, but make sure you want the same things for the future, like kids or a house in a certain area. Once you have these goals set up, work on them as a team and support each others' personal goal as well. Success is best shared together, and when you reach your goals, whether that means being a great parent or buying the house of your dreams, your spouse should be the person you want to share that feeling with.

2. Be open and honest about everything. People make mistakes, and you should be honest about all of yours. This could be something in your past or something you've done recently. Your spouse will probably find out eventually, and it will be a lot worse if they don't find out from you. This could be anything, from financial problems to past relationship troubles. If it affects you, it affects them now, too.

3. Try new things if the old ways aren't working. Sometimes relationships wear down because they've been in a rut for far too long. Maybe the way you've always done things isn't cutting it anymore. Try new ways of handling things, whether it's a new routine or taking it a step further and moving somewhere else entirely. No matter how big or how small, changes are important in any relationship.

Matchmaker Nicole Richie: “I Set Up Cameron Diaz and Benji Madden”

By Laura Seaman

Nicole Richie recently admitted to setting up brother-in-law Benji Madden with Cameron Diaz. “I approve of anything that’s going to make Benji happy,” Richie said after being asked if she approved of Diaz during her interview on *Watch What Happens Live*. “I’m happy for anyone who is happy, and I want everyone to be surrounded by love.” According to UsMagazine.com, a viewer later asked if the star played matchmaker and had been the one to introduce the new couple, to which she answered, “Yes. I’m going to take full responsibility for everything!”

What are some ways to help your friend find a mate?

Cupid's Advice:

There are plenty of reasons to set up your single friend. You could go out on double dates! It also might make them happier, get them out of the house more, or maybe just stop them from moping about being single. No matter the reason, Cupid is here to help you help your friend by finding them a mate:

1. Help them set up an online profile. It might take some convincing, but if you can get them to agree to it, setting up a profile on a dating website is a great way to get your friend to meet potential partners. After all, that's what the sites are for. And who better to help them list all their little quirks and charms than their friend?

2. Set them up with another friend. If you trust someone enough to be their friend, you can probably trust them enough to treat your other friend well. You already know how amazing these two people are, so setting them up together might seem like a no-brainer. Just be careful, because there's always the chance that it won't end well and the two friends ask you to pick sides.

3. Be an amazing wingman (or wingwoman). If your friend is shy, they might need an extra push to go socialize on a night out. You can scope out the place for someone who is attractive and seems like their type, then cook up a plan to get them talking. Make sure your friend is okay with this! Otherwise you might have a pretty awkward encounter on your hands.

Nicole Richie and Joel Madden Celebrate Second Wedding Anniversary

By Nicole Weintraub

Nicole Richie and husband Joel Madden celebrated their 2nd wedding anniversary, according to UsMagazine.com. The couple has two children together, daughter Harlow who is four and son Sparrow who is three years old. The two wed in December of 2010 after four years of dating one another. Richie revealed that the two of them were complete opposites when they first met, though they could not be happier now. Madden, who plays

for band Good Charlotte, opened up about his family, saying, "I feel like the luckiest man alive to have my wife [Richie] and kids...Hope everyone out there finds this kind of love."

What are some special ways to celebrate your anniversary?

Cupid's Advice:

Anniversaries can get monotonous and routine after several years, though here are some different ways to celebrate them:

1. Take a class: Instead of doing the routine and traditional anniversary dinner and gift exchange, take a class together. Try a kickboxing class or a baking class; just do something different that you can do together.

2. Cook for each other: Have your partner make dinner for the two of you or make dinner for you and your partner. Instead of going out for dinner, have a nice evening in with food cooked by you.

3. Start a tradition: Do something original and start a tradition that the two of you can do every time you celebrate an anniversary. For example, write each other little love notes or start a memory box.

It's been a bumpy road for the singer, but she has since been successful in her career and is now happily engaged to her former agent, Jason Trawick. Unlike her

unsuccessful marriage to Kevin Federline, Spears and Trawick seem to have discovered true love as the star climbs her way back to the top.

2. Drew Barrymore: Drew Barrymore is a celebrity with an infamous history. She spent her life growing up in and out of rehab due to her drug addiction, but has since bounced back from her faults. Today, you'd never expect the beautiful actress to have had such a rebellious past. Barrymore not only got herself together for her career, but has even found love with Will Kopelman. The recently married couple couldn't be happier and are expecting their first child.

3. Nicole Richie: Nicole Richie had a bad-girl reputation which eventually landed her in rehab after getting DUIs in 2003 and 2006. Richie's life turned around for her, especially when she landed in the arms of current love, Joel Madden. How Celebrity Couples Celebrate Labor Day Weekend

By Whitney Baker

Labor Day weekend is often filled with beach and barbeque, giving people an opportunity for an extra day off before the summer ends. Some celebrity couples like to keep things simple as they spend time together with the sand and the sun, while

others add a little glitz and glam to the usual date plans.

In anticipation of the upcoming holiday weekend, let's look back at how the hottest duos in Hollywood celebrated Labor Day last year:

1. Partying in Las Vegas: Stars seem to flock to Sin City for a final summer blowout. Before she was on baby bump watch, Nicole 'Snooki' Polizzi hosted a bash at PURE Nightclub inside Caesar's Palace with then-boyfriend Jionni LaValle. That same night, Carmen Electra and her former fiancé Rob Patterson hosted a party at Nikki Beach in the Tropicana Hotel.

2. Lying Poolside: Other celebrity couples prefer to focus on relaxing and soaking up the last bit of summer sun. Gabrielle Union and Dwayne Wade spent the afternoon at a Miami Pool with Wade's two sons, while Dave and Odette Annable enjoyed some newly-wedded bliss before celebrating their one-year anniversary in October.

3. Saying "I Do": Many celebrity couples choose to [tie the knot](#) over this three-day weekend. Last year, Lauren Bush wed David Lauren, son of fashion icon Ralph Lauren, on his private ranch in Telluride, Colorado. Additionally, Mark Ronson, a well-known DJ and the brother of designer Charlotte Ronson and DJ Samantha Ronson, and actress Josephine de la Baume celebrated their wedding with a two-day celebration in Aix de Provence, France. It sounds like the perfect way to mark the end of the summer.

4. Hanging Out with Their Kids: Some Hollywood pairs opt for a more traditional route and enjoy low-key plans with their family. The Malibu Fair and Chili Cookoff was a popular spot

last year: Tori Spelling and Dean McDermott took their kids, while Pink and her husband Carey Hart were there with their daughter. Also in Malibu, Nicole Richie and husband Joel Madden spent Labor Day on the beach with their two children.

5. Working: Even celebrities have to show up to work on a holiday once in a while. With the 13th season of *Dancing with the Stars* underway, many of the dancing duos, including Cheryl Burke and Rob Kardashian as well as Lacey Schwimmer and Chaz Bono, were spotted practicing for the next show. Similarly, Selena Gomez was in Colorado for her 'We Own the Night' tour, keeping her away from boyfriend Justin Bieber.

Best Celebrity Moms (Who Also Make Great Wives)

By Che Blackwood

Making a relationship work is hard. Throw in full-time jobs, opposing schedules and nosey families, and it can be darn near impossible to find the time you need to make it work. Now, add children to the mix, and some might begin to assume you're attempting to commit partnership suicide. Any woman that has the privilege of being called Mom, or even those who've tried their hand at babysitting, knows that after making macaroni necklaces and finishing science projects, there isn't much time left at the end of the day to dedicate to yourself, let alone your partner. Fortunately, it is possible to fulfill your parental duties and keep your mate happy without completely sacrificing your sanity, shower time or friendships. While it may sound like an urban legend, these celebrity moms have found a way to make juggling kids, love and inner happiness look somewhat easy:

Related: [Snooki's Pregnancy – Can You Salvage Your Image?](#)

1. Victoria Beckham: This former Spice Girl ditched her Posh-like alter ego for a life of domesticity after marrying sexy

soccer player David Beckham in 1999. Four kids later, Mrs. Beckham can be found naming handbags from her clothing line after daughter Harper and taking her sons to FAO Schwartz. While it's obvious that Beckham is a [fun mom](#), she's also a stunning wife. Low-cut dresses and six inch heels keep this mama looking hot and since their last child isn't even a year old yet, it's obvious that after thirteen years, her style has kept her husband interested.

2. Gwenyth Paltrow: Paltrow makes sure her children, Apple and Moses, think she rocks by taking them to see their dad, Coldplay's Chris Martin, in concert as often as possible. On top of raising her children amongst some of music's biggest legends, she's also made a career out of mommy-blogging, dishing on the most kid-friendly restaurants and best toys. However, this celeb doesn't pretend that being a wife and mom is easy. She's reported that the pressure has caused trouble in her relationship, but in the end, commitment wins out. The actress reminds us that love can't overcome everything, but that the willingness to try sure can. Her devotion to her family makes her one of the coolest moms we know.

3. Jennifer Garner: Garner is the epitome of a laid back mommy. Regardless of her Hollywood status, Mrs. Affleck walks her children to school every day, is frequently spotted bringing her two daughters to the park and focuses on each of her children's individual interests. The actress is so humble that she had no problem dishing in an interview that her eldest daughter, 5-year-old Violet, called her fat. While a great attitude makes for a great mom, her bouncy personality has made her a great wife to actor Ben Affleck as well. In fact, he admitted publically that his wife's unique demeanor leaves him happier and more at ease than he ever thought possible. With their first son having been born a month ago, let's hope Garner can continue to keep this growing family happy.

4. Nicole Richie: This former party girl ditched her crazy

habits when she married rocker Joel Madden, but she didn't walk away from her almost natural ability to be hip. As a fashion designer, Richie has named a number of her companies after daughter Harlow. She's also performed on stage with her children's favorite show, *Yo Gabba Gabba*, and can be spotted bringing Harlow ice cream at ballet class and taking son Sparrow to the beaches of Malibu. With such a rocky past, Richie seems to genuinely appreciate and cherish every moment of motherhood. However, she hasn't forgotten the needs of her husband. The lovebirds continue to make time for each other, recently visiting Coachella, enjoying intimate date nights and making it a point to actively raise their children together.

5. Jessica Alba: This Hollywood actress went public about the pressure of raising a baby in the public eye after giving birth to her first daughter, Honor. After the birth of her second daughter, Haven, she's grown more accustomed to life in the limelight. Never photographed without her children, Alba manages to keep their lives as private as possible without sacrificing their time together. Ransacking her house, she has made her life kid-friendly by adding education into everything she does. Alba admits that raising children is hard, but by taking the pressure off of herself, this Bohemian beauty has turned into a baby-raising bombshell. She and husband Cash Warren have also taken the pressure out of their relationship by taking the time to hang out alone. Whether stealing a weekend away in New York City or sneaking in a day at the beach together, Alba has made it a point to keep her relationship fresh; and it appears to us that Warren couldn't be happier!

What are some ways to prepare yourself for parenthood?

Cupid's Advice:

Parenthood gets easier with time, but the first few months with your newborn can be the most challenging part of your new role. Here are a few ways to prepare yourself:

1. Buy the essentials: It's surprising how many things new parents leave for the last minute. Prepare in advance as much as you can. Buy a car seat, baby formula, diapers, a crib, etc. You'll be too occupied with your newborn to be doing much shopping after the birth.

2. Find a doctor: Finding a pediatrician you're comfortable with before the baby arrives can save a lot of time. Make appointments with several local doctors and talk to your friends until you find one that suits your needs.

3. Organize a support system: The first few weeks will be tough on you and your partner. Arrange for a friend or family member to stay with you and help out. You'll be able to enjoy their company and a large load will be taken off of your shoulders.

How did you prepare yourself for parenthood? Feel free to leave a comment below!

Nicole Richie and Joel Madden Wed with Elephant

In traditional Hollywood style, Nicole Richie and Joel Madden finally tied the knot at the home of Richie's singing sensation father, Lionel Richie, surrounded by 130 family members and friends. But according to [People](#), one big detail stuck out as being unique: a trained elephant was in attendance.

How do you incorporate animals into a wedding ceremony?

Cupid's Advice:

Everyone's wedding ceremony should be unique, and incorporating animals into the festivities is always an excellent way to show who you are as a couple:

1. Wed at the zoo: The zoo can be the perfect wedding venue for a couple with a soft spot for animals. By having your wedding surrounded by animals, you're not only giving your guests a unique experience, but you're also raising awareness for endangered species.

2. Make your dog part of the wedding party: People who love their dog consider him a member of the family, and family should always be included in the wedding. Make your dogs both your ring bearer and flower "girl."

3. Let birds fly: Angelic birds such as swans and doves have long been associated with wedded bliss. With the right wedding planner, you can have these symbols of innocent love as guests at your wedding.

Wedding Rumors: Nicole Richie and Joel Madden

After four years, two kids, and a 10-month engagement, Nicole Richie and Joel Madden may finally be ready to set a wedding date. Although the couple have been very secretive about the details of their wedding, [Us Weekly](#) reports that Richie had a bachelorette party in September with Christina Aguilera and a few of her other girlfriends. Richie isn't the only one being secretive about the details. At the Oscar pre-show, Madden said, "We're kind of doing it at our own pace. We have no idea right now."

What's the benefit of keeping your wedding date a secret?

Cupid's Advice:

Once you set the date for your big day, your first instinct may be to send out that "save the date" to let everyone know. But Cupid has some advantages to keeping your wedding date a secret for a while:

1. You can make wedding decisions alone: When people don't know your wedding date, they aren't able to insert themselves into wedding plans. You'll be able to have the wedding you want without any unnecessary input.

2. You can keep it exclusive: If your wedding date is under wraps, you're able to keep the guest list more intimate and exclusive without feeling obligated to send out extra invites.

3. You can stay true to your personalities: Some brides dream of a huge wedding and others just want a few of their close family and friends to be there. If you're the latter of the two, announcing your wedding date may not coincide with your dream wedding plans.
