Cupid's Advice:

Break-ups are never easy, especially when your partner moves on before you. Cupid has some tips on some reasons why you should stay away from your ex's new significant other:

1. Unwanted feelings: Seeing an ex's new partner may ignite some unwanted feelings such as jealousy, anger, resentment or, worse, wishful thinking. Nick Jonas isn’t ready to move on yet, as his break-up with celebrity ex Olivia Culpo is too fresh. It can be tough to know when you’re ready to enter the dating scene again. Cupid has some tips:

1. Time has passed: Obviously time passing is important, because you need to grieve about your lost relationship and love life before you can move on the next. There’s no specific time that applies to every person, so you’ll simply have to go with how you feel. When you aren’t upset and pining for your ex, it’s safe to consider dating someone else. This could mean 2 weeks, 2 months, or 2 years.
