1. Settled Down: Usually if someone has decided to settle down

in one place with a stable job, then they've reached a level of maturity where they want to get serious, and that's a good sign.

2. Life Goals: You can usually tell a person's maturity level based on what they want to do in the future. They must be striving towards goals that will make them successful and happy, and that's who you want to be with.

3. Recent Relationships: Try doing a little background check on your partner. See why they chose the paths they did in life, and maybe why their most recent relationship ended the way it did. It will tell you a lot about what they want and what they're serious about.
