

Travel Tips: Backpacking in Beautiful Vacation Spots

By

[Katie Sotack](#)

Need a mental health break? Backpacking through the wilderness, Europe, or even a campsite nearby is an affordable way to explore outside of your usual day hiking. *Greenbelly* suggests it's best to decrease your pack's weight before [traveling](#). If you've decided to hike out with your living space, food, drink, and survival gear on your back, (check [GearWeAre](#) for more), make it ultralight.

Reward your thirst for adventure and your wallet by backpacking at

the next beautiful vacation spot with our [travel tips](#) for lightweight, low stakes gear carting.

As far as low-cost ways to travel go, backpacking is brilliant and versatile. The packer can commit to a quest by themselves, take arms with a group of travelers, or go off on a [romantic getaway](#) with their lover, a tent, and the stars above to a beautiful vacation spot. Whatever way the packer decides to travel the number one rule is pack light.

1. Weigh out your gear: By weighing each item before it goes in the pack you'll be able to see if said item is worth its weight. Some things will naturally be heavier, but don't throw them away for that reason alone. Your jug of water? That'll take a toll on your shoulders, but you'd be worse off dehydrating out on the trail.

Related Link: [Travel Destinations: Visit the Great Smoky Mountains & Pigeon Forge](#)

2. Sharing is caring: After weighing and packing each item, weight all the trip's backpacks. If yours is too heavy, for example, but someone else is willing to carry more, give it to them. Another tip for sharing essentials is that there doesn't need to be two of everything. Coordinate with your team to know who's bringing what. This will save the group from carrying more pocket knives than necessary. It may sound like a small, nearly weightless decision, but when you're walking all day with a ton on your back, you'll be grateful for the lessened weight.

3. Synthetic materials: When backpacking, both cotton and denim are a no go. Not only do they weigh more than synthetic

materials, but they also retain water. Cotton absorbs water from the environment and your skin so those white socks will be soaking wet for a while once you accidentally step into the trail's puddle. Alternatively, synthetic materials that can be found in certain workout brands keep away sweat to keep you cool and dry.

4. Say goodbye to technology: It might be hard to step away from the internet, but disconnecting from the world wide web too many benefits to count. While the phone detox might take a day or two, the weight you'll save is worth it. Phones, GPS-s, iPods, and tablets require chargers and cases, all of which will add up. Putting down the tech, for now, will help you build your relationship with your travel companions, too!

5. Factor in the weight of your bag: We're talking about what you'll be carry *in* the bag, but the actual pack is just as important. This is the area to splurge. Buy a bag that's lightweight and has hip and shoulder straps. Speak to the workers at your local camping store, but be aware that backpacking bares weight on your hips. To alleviate pressure your pack should fit securely around your hips and arms with and without the weight in.

Luyendyk Jr. & Lauren Burnham Soak Up Sun on Bermuda Babymoon

By

[Mara Miller](#)

In the latest [celebrity baby](#) news, [celebrity couple](#) Arie Luyendyk Jr. and Lauren Burnham traveled for a [romantic getaway](#) to Bermuda in the weeks leading up to the birth of their first child, according to *UsMagazine.com*. They shared pictures of their trip via their Instagram accounts. Luyendyk and Burnham met during season 22 of *The Bachelor*. Burnham is currently 30 weeks pregnant. They both seem so excited to become celebrity parents!

In celebrity baby news, Arie and

Lauren are enjoying the weeks they have left before becoming parents. What are some unique babymoon ideas?

Cupid's Advice:

For a lot of couples like Arie and Lauren, a babymoon is the last chance to have a romantic getaway before the baby comes. Cupid is an expert on this and came up with some ideas:

1. A nature-filled babymoon: There's just something about pregnancy that makes a mom-to-be feel connected to nature. Search for a local area where you can rent a cabin in the woods or take a road trip along the countryside. This is sure to give you both a chance to relax and enjoy the last few months you'll have together as a couple before the baby comes.

2. A cruise: Be sure to check with your doctor, and some cruise lines have restrictions for passengers who are over 24 weeks pregnant. But the idea is to be pampered and enjoy your time with your partner before the baby comes, right? A cruise might be the perfect thing to do.

3. Travel abroad: Again, you may want to check with your doctor before you fly while pregnant. Take that trip you've always wanted to France, or Bermuda, or Greece. It may be your last chance to travel abroad with your partner until the baby is older.

Date Idea: Embrace the Cold Weather

By

[Mara Miller](#)

With your flip flops in storage and warm weather a distant memory, it's easy to spend your weekends under a warm comforter, reading a book together or flipping through the channels for [date night](#). Although binge-watching *Orange Is the New Black* and ordering a pepperoni pizza can be great at times, your love life shouldn't cool down just because the temperature is declining. Instead, use this [weekend date idea](#) to take advantage of the season by embracing winter activities

that you can only enjoy once or twice a year.

Relationship Advice: Winter Activities for Your Next Date Idea

1. Try something new and go tubing: Whether you're a pro or haven't been on the mountain since you were a kid, it's one way to keep your pulse pumping with your partner. Most ski resorts offer this activity, and since you have the option to stay a few hours or an entire weekend, coasting down a hill just may turn into that surprising [romantic getaway](#) that you've been craving.

Related Link: [Enjoy the Snow from Indoors](#)

2. Create some fun in your own backyard: Get all bundled up, venture outside, and make snow angels or build snowmen with your cutie. Better yet, when your mate turns their back, you'll have the chance to start a snowball fight. A little activity and some healthy competition will keep your blood flowing even during the coldest of days. Being silly with your sweetheart is important, and playing in the snow is a great way to do it.

Related Link: [Warm Up With Winter Cocktails](#)

3. Warm up after your outdoor adventure: Heat up some good old-fashioned hot apple cider. If you're feeling frisky, spike it with some Fireball whiskey. A warm drink with the one you love is the perfect end to a day filled with fun winter activities!

Romantic Getaway: Destinations in South Africa

So, you've been to Bali, loved the Caribbean, and now you're searching for another exotic location to visit with your loved one. Why not tour South Africa? Enjoy breathtaking sunsets across African skies while you sip a crisp chardonnay on the balcony of your luxury hotel.

There are so many romantic destinations in South Africa, and it's challenging to fit them all in in one trip. Plan your trip over two weeks and visit these fantastic parts of the country.

Champagne Castle – The Drakensberg

The mountainous region stretches from the lower Free state all the way through to Kwa-Zulu Natal. Luxury hotels litter the mountain peaks offering spectacular views of the mountains. This area of South Africa becomes a magical wonderland in the wintertime, but bring a jacket because it gets chilly.

Chapmans Peak – Hout Bay

Nestled between Noordhoek and Hout Bay, Chapman's peak features a tolled cliff road that stretches between the two towns. The scenery takes your breath away as you drive along the Cliffside and stare down at the water over the Indian Ocean. Relax with your partner and enjoy the perfect place in South Africa to watch an ocean sunset.

The Wine Route – Western Cape

This stretch of lush coastline between Gaansbaai and Knysna is home to a wide variety of indigenous flora and fauna. It's spectacular in the springtime after the first rains soak the earth. This region also hosts some of the world's most beautiful wine farms and luxurious 5-star hotels.

Cape Point – Cape Town

At the tip of the African continent lies Cape Point Nature Reserve. This natural wonder offers lazy hikes in an Oceanside wilderness and the opportunity to see the wild side of South Africa with your partner. Keep any food out of site, or risk harassment from baboons.

The Golden Mile – Durban

South Africa's beach town and home to sand, surfing, and sunshine. Swim in the warm Indian Ocean and take a surfing lesson with your partner. Durban has a friendly beach vibe and local culture. Enjoy a "bunny chow" with your partner as you watch the waves break on the beachfront.

The Magaliesburg – Gauteng

The hills and valleys of the Magaliesburg are only a short drive from the hustle and bustle of Johannesburg. The region is home to "The Cradle of Humankind," where scientists discovered the oldest human fossils. Enjoy a hike in the hills and have a picnic at Hartebeespoort dam on your way home.

The Skeleton Coast – Namibia

The desolation of the desert dunes along the skeleton coast provides some of the most spectacular scenery in the world. Camp in a tent constructed around the skeleton of a beached whale and take a safari along the endless isolated beaches.

A Final Travel Tip

If you visit South Africa in the summer, expect hot days and warm nights throughout the country. Pack plenty of sunscreen and don't forget your visa applications, as well as [comprehensive travel insurance](#).

Love & Libations: Celebrity Sips on Tequila Day

By

[Yolanda Shoshana](#)

There's no denying that tequila is one of the hottest spirits around right now; however, not all tequila is created equal. Some of it is cheap and fills you with nothing but regrets the next day. In fact, that may be the reason you're scared to get anywhere near this specific libation ever again. Do yourself a favor and revisit the spirit or take a different approach to it. While there is bad and ugly tequila, there is some really good juice that has hit the market. It's a spirit that men and women enjoy. It's been said that women who drink tequila are mysterious and sexy. On your next [date night](#), maybe pour a little tequila on the rocks to knock off their socks.

Read for More Tequila Tips from Relationship Expert Yolanda Shoshana!

Celebrities have been jumping on the tequila trend. You will find that the celebs who make the best stuff were tequila fans well before they got into the booze game. National Tequila Day is on July 24th, making it the perfect time to sip like the rich and famous.

Related Link: [Love & Libations: Date Ideas & Summer Loving with Rosé](#)

Most people know that Sean Combs has been the face for Cîroc Vodka, but some will be surprised that *DeLeón* Tequila is his baby. Combs is far more vested in the tequila company. The luxury spirit comes in a fancy bottle that would make a great addition to a home bar or the perfect gift for your tequila loving boo. There is a bottle of *DeLeón* that runs for around \$850, but there are affordable options to choose from. Think of this as a sip and chill tequila or the kind of libation to get you in the mood for foreplay and boudoir business.

Casamigos is probably the most famous celebrity tequila on the market. When George Clooney and Rande Gerber sold the company for \$1 billion dollars, everyone clutched their drinking glasses. Though they sold the company, Clooney and Gerber are still very much involved with the brand. I bet Clooney sips a little bit more of it since becoming the father to twins. The Casamigos Blanco would be great for whipping up a batch of margaritas for the girls and chatting about love, life, and the pursuit of happiness.

Related Link: [Love & Libations: The Negroni & Anthony Bourdain](#)

If you have been a fan of Mario Lopez since his Saved By The Bell Days, know that he has an adult beverage for you called Casa Mexico that he owns with partner Oscar De La Hoya. Lopez is so into the tequila that 120 bottles were served at his wedding. Take that as [relationship advice](#) from Lopez: the couple that shares tequila together just may stay together. Clearly Casa Mexico is good for sharing with loved ones.

Recently Dwayne “The Rock” Johnson announced that he would be starting his own tequila brand. Personally, I wish he would have gone with The Rock Rosé, but tequila it is. While his tequila isn’t out yet, he deserves an honorable mention. Mana will probably hit the shelves any minute; the Rock wastes no time when he brings it. The spirit will be called Mana Tequila. Mana means supernatural in Polynesian. It will be interesting to see how the spirit comes together. Given the name, it sounds like there will be an island flair to it. I imagine it will be good for when you and your partner can’t travel to the Polynesian triangle but want to feel like you’re on a [romantic getaway](#).

Travel Advice: 10 Insider Tips for the Perfect Saint Barths Getaway

Whether you're planning your first vacation on Saint Barths or returning a second or third time to this idyllic Caribbean island, the eclectic, boutique family-owned [Les Ilets de la Plage](#) has just unveiled their top "10 Insider Tips" for the perfect Saint Barths getaway. Summer is an ideal time to take advantage of island savings and discounts and for those looking for a picturesque [romantic getaway](#) in Saint Barths without breaking the bank, Les Ilets de la Plage is the perfect hideaway for families, couples, friends and the solo traveler.

For those looking for an affordable way to vacation on the beautiful of St Barths, look no further than the intimate, family-owned beach resort of Les Ilets de la Plage. This

hidden gem offers 11 private villas with direct access to the white sand beach and azure sea. Secluded yet central, Les Ilets has been a well-kept secret for years, combining the privacy and serenity of a villa with a hotel concierge service at an affordable price for the perfect [celebrity vacation](#).

Looking for travel advice to make the most of your vacation in Saint Barths? Laurie Smith, the managing director of Les Ilets de la Plage, has compiled these helpful “10 Insider Tips” for the perfect Saint Barths getaway.

1. Why Saint Barths?: This remote Caribbean island has all the glamour of St. Tropez without all the pretentiousness that accompanies typical celebrity hotspots. It's totally down-to-earth and accessible to anyone who wants a relaxing beach escape. Don't be scared off by all the celebrity sightings—St. Barths is an utterly laid-back, hidden gem of an island, perfect for escaping the hustle and bustle of everyday life (that's probably why the celebrities like it so much!). It's got fabulous beaches, nearly perfect weather, and a steady parade of yachts and sailboats to entertain your eyes as you soak up the sun. Whatever you're looking for in your next beach holiday, you'll find it in St. Barths.

2. Fly into Saint Maarten for easy transportation to Saint Barths: Unless you can charter your own plane, there are no direct flights to the island. And if you were to fly into Remy de Haenen airport in St. Jean, be prepared for a bit of a thrill—the tiny runway (just 2,100 feet, the shortest in commercial aviation) is flanked by St. Jean Bay on one end and

mountains on the other. You can fly in from San Juan, Antigua, Puerto Rico, and Guadeloupe. You can fly from St. Maarten but there are fewer flights operating this year due to the hurricane. St. Maarten does have the most options, however. If you pass up the hair-raising flight, you can take a 45-minute ferry ride or any one of a number of private charter boats.

3. Take advantage of great deals during the summer months: One of the many surprising facts about St. Barths is that it's actually an amazing year-round destination. High season runs from December through April—and if you're planning to visit during peak months, you'll need to plan months and months in advance, and it will cost you twice as much as the off-season. The summer months, on the other hand, are quieter, less crowded, but still utterly beguiling—and you can get a deal on a villa with much less notice. If you're into last-minute getaways, you'll love summer in St. Barths.

4. All of the beaches are public, free and rarely crowded: While it's true you'll find the occasional Caribbean resort-style, hotel-studded beach on St. Barths, most of them are secluded, remote, and frequented by locals. And all of them have that gorgeous, powdery white sand that feels so wonderful between your toes. (Except Shell Beach... the clue is in the name!) The most popular beach is St. Jean Beach, conveniently located near waterfront restaurants and shops—and perfect for snorkeling. Flamands Beach is the place to surf and bodyboard, while Grand Cul-de-Sac has calm, shallow water, a win for families with small children.

Related Link: [Best East Coast Beaches for Summer 2018](#)

5. Low-key lunches are a true highlight of Saint Barths: One of the highlights of a St. Barths holiday is spending long, lazy, rosé-fueled lunches with your feet in the sand. Shellona on Shell Beach has a rustic deserted-island ambiance and comfy loungers clustered beneath palapas—a wonderful way to while away an afternoon. La Langouste on Flamands Beach has lovely

lobster (as you'd guess from the name)—choose your own from the tank and it's delivered perfectly grilled to your beachside table. It's located in the pool courtyard of Hôtel Baie des Anges—cool off with a dip between courses!

6. No need for fancy dress clothes: Despite its posh reputation, you really don't need to dress up when you visit most of the island's 80-odd restaurants. Leave your ties and jackets at home—casual resort wear is the norm in St. Barths. Of course, if you really want to dress to the nines, put on your swankiest kicks and head to Bonito St. Barth, the Latin-French fusion restaurant where the beautiful people go. The restaurant at Villa Marie has a distinctly romantic vibe, the perfect place to celebrate a special occasion.

7. There's no public transportation, so a rental car is a must: Taxis are easy to come by, but they can be expensive. Fares jump after 8 pm and you need to arrange taxis in advance if you need a ride after midnight. For most people, a rental car is essential, then you can come and go as you please. It is much better value to hire a rental car and it's easy to arrange one for yourself. If your concierge handles it for you, the agency can deliver it to your door—it really couldn't be simpler.

8. Travel medical insurance is a good idea: Modern health care is available on St. Barths, but the hospital is small and only offers basic care and limited emergency services. If you need medical care during your stay, you'll need to be evacuated to another island better equipped to handle emergencies—and that can cost tens of thousands of dollars. You'll likely never need travel medical insurance, but if you do, you'll be very glad you have it.

Related Link: [Not Feeling Up for Beaches? 5 Other Great Things to Do in Rio](#)

9. Les Ilets de la Plage is a great choice for travelers who

seek privacy, but also want the amenities of a resort hotel: There are plenty of posh hotels on the island, but if you chose St. Barths to escape to a bit of privacy and seclusion, you can't beat a private villa. Les Ilets has beach side and garden villas that offer the utmost in privacy with luxe accommodations and all the amenities you'd expect from a hotel. Our attractive one-, two-, and three-bedroom villas are perfect for a romantic couples' retreat, a girls' getaway, or a relaxing family holiday. In addition to gorgeous private beach access, there's a private pool with cabanas and sun deck. We also have full concierge services—fresh croissants delivered to your door each morning, lunch and dinner reservations, grocery shopping, even childcare is easily arranged for you. It's really the best of both worlds.

10: There is life away from the beach. No one would blame you if you never wanted to leave your comfortable spot next to the sea, soaking up sun, sippy fruity island drinks, and enjoying the incredible views. But if you do want a bit of activity and adventure to round out your day, there's plenty to do in St. Barths. The waters off St. Barths are ideal for snorkeling and scuba diving, and there are great spots for kitesurfing, bodyboarding, and all sorts of watersports. And if you like fishing, the Atlantic waters are filled with mahi mahi, bonito, wahoo, and marlin. Looking for a little retail therapy or some pampering? This is an island that draws the rich and famous—the shopping and spa services are world class.

About *Les Ilets de la Plage*: Les Ilets de la Plage is a quiet, understated resort with 11 villas that are simple, but elegantly decorated and very comfortable. Beauty Tips: How to Combat Frizz During Spring Showers

By

Carly Horowitz

April showers bring May flowers, but what do they also bring? FRIZZ. We all know that most people don't enjoy it when their

hair starts to get frizzy in the humid spring air. In addition to humidity, frizz can also be caused by lack of hydration in the hair. Luckily, there are multiple [beauty tips](#) and tricks that can be used to minimize frizziness. Whether you have planned a [date night](#), [romantic getaway](#) or are just running errands around your town, your frizzy hair can be combated after experimenting which routines work best for your hair type.

Check out some of Cupid's special beauty tips on how to combat frizz during this time of year!

1. Use a hydrating mask: Dehydration is a main cause of frizzy hair- especially for people with curly hair. If you use a hydrating mask on your hair once a week, or once every two weeks, it will minimize the dryness that can occur in your hair. Maybe have a get together with your friends and each of you can try a different hydrating face mask and see which one works best! Do keep in mind that hydrating masks effect different hair types in a variety of ways. Once you figure out which works best for you and your unique hair type, you will be set.

2. Condition, condition, condition: Conditioner also helps to hydrate your hair. It is even better if you find a conditioner with specific hydrating products in it like glycerin, coconut oil, and shea butter. This will make your hair nice and silky!

Related Link: [Beauty Advice: The 5 Best Beauty Tips from Celebrities](#)

3. Minimize blow-drying: The direct hot air from a blow dryer has the ability to dehydrate your hair even more. Try to minimize your usage of a hair dryer as much as you can.

Although, it is okay if you use one towards the end of the air drying process just to help style your hair. Make sure you use some type of heat protector on your hair before exposing it to the blow dryer so that you prevent further damage to your hair- which also can cause frizz.

4. Brush your hair more: We are born with exactly everything that our bodies need to thrive. Our hair is already abundant with natural oils that can be easily dispersed by brushing your hair more often, or washing your hair less often. No need to break the bank on expensive products for your hair when you are already blessed with natural products!

Related Link: [Get a Knockout Look with This One-Two Punch in Hairstyles](#)

5. Get sulfate-free shampoo: In addition to purchasing a sulfate-free shampoo which will help to decrease frizziness, also look for one with glycerin in it as well, as mentioned earlier that this helps to hydrate your hair. Special tip: the higher listed the product is on the 'Ingredients List' on a shampoo or conditioner bottle, the more abundant that ingredient is in the bottle.

6. Try natural remedies: If you want to try something different, certain natural remedies have been proven to help tame frizzy hair. To name one, the acidity in apple cider vinegar can minimize frizz if you run some of that through your hair diluted with water after you do your routine shampooing. Rinse it off with cold water after about 30 seconds, then continue with your conditioning routine. Have fun experimenting with other natural remedies as well like an avocado and olive oil mask, raw egg and olive oil treatment, carbonated water rinse, etc.

7. If all else fails, a bun is the way to go: By throwing your hair into a bun, it can ease frizz in itself. Or if you're

going for the messy bun look, the frizz that is already there can add to your look! Yes, many people want their hair to look chic and frizz-free, but we should also embrace the beauty of our naturally occurring hair.

Battling frizz is a true struggle for certain hair types. These tips are sure to do the trick, but always remember that however your hair decides to fall today, it is naturally and beautifully you!

So you may not be able to go out or have a [romantic getaway](#), but these mid-week staycation [date ideas](#) are sure to keep the romance alive for your Valentine's Day celebrations.

Try these vacation destinations in your hometown for a romantic Valentine's Day staycation!

1. Sunset cruise: Okay, this only works if you're near water. Even a river or lake will do! Most cities host sunset cruises with dinner included. It'll cost about as much as a romantic dinner out at the three-star restaurant you've been eyeing, with the added bonus of beautiful scenery.

2. Hot air balloon: The good news is that anywhere with clear air is likely to have a hot air balloon ride available! If you and your partner are feeling daring, enjoying V-Day dinner in a basket for two, literally, is incredibly romantic. If either of you is scared of heights, get ready for full-blown snuggles. Our suggestion: bring a bottle of wine or two to calm the nerves (if you're 21 and up!). Even the bravest of people will have a hard time grasping the idea that only a balloon is keeping you separated from the ground.

3. Disposable camera: Smartphones have made us take photography for granted. It's a lot more fun to grab a Polaroid or disposable camera and have a goofy photo shoot around town. Because you won't be able to delete any pictures taken, it'll be challenging to pose yourselves just right. Plus, the anticipation of seeing the photos developed will keep you excited and help you relive the fun of your date!

5. Thrift shop photo shoot: For a goofy and light-hearted date night, go to your local thrift shop and pick out outfits for each other. Put on a photo shoot, and end the night with a picnic or a home-cooked meal.
