Cupid’s Advice:

Fighting with a partner, friend or family member is never pretty. It can be hard to recover from a bad fight in a relationship. Cupid has some ways to make it right with your partner after a fight:

1. Don’t be petty: After a fight, your emotion might still be running high, so let the dust settle after a fight. You may feel like throwing in some last-minute shade, passive-aggressive jabs or get back at them. But all that does is prolong the nastiness of your fight. The best thing is to let it go and work out your problems.

To get back to a good place with your partner, it's very important to talk about it with your partner. It's also important to understand where each person is coming from and where you stand. It may be hard to communicate openly and honestly but if you love each other you will try. A few things to keep in mind; give up the need to be right, don't be defensive, deal with one issue at a time, no hitting below the belt and be kind to each other.

B

y [Jessica Gomez](#)

In [celebrity news](#), Ronnie Ortiz-Magro allegedly still loves

his celebrity ex Sam Giancola. According to UsMagazine.com, a source stated: "Ronnie still loves Sam. Everyone knows it." This news comes after Ronnie's recent [celebrity break-up](#) with Jen Harley, who is pregnant with his first child. The celebrity exes broke up over the weekend via Instagram for all to see, apparently over the lack of faithfulness in the relationship from both sides. On an episode of *Jersey Shore Reunion*, Ronnie said that he wasn't planning on marrying Harley. The reason seems to be because she just isn't Sam. Ouch! Sammi Sweetheart actually didn't go back to the *Jersey Shore* house because of Ronnie, and she is currently dating Christian Biscardi. We wonder where this whole situation is headed.

This celebrity news conveys a concept that many of are not foreign to. How do you deal with realizing you are still in love with your ex.

Cupid's Advice:

Sometimes it takes us longer than others to fall out of love with someone. It can depend on who that ex is, how the relationship was, or how it ended. However, cupid has some [love advice](#) on how to deal with still loving your ex:

1. Analyze your feelings and the situation: Be sure of what you feel. Sometimes we think we feel one thing when in reality we actually feel another. We are only human, so we do make mistakes. Also, evaluate the situation, think with your mind and not your heart. Only because you love an ex does not mean that you should be with them, or even have them in your life for that matter. Evaluate everything carefully.

2. Keep busy: Be productive. Keep yourself distracted while bettering yourself, that's the best thing you can do after all. This can also detain you from taking any decisions that you may regret later. Give your mind some time away from your ex and do what you have to do. After giving it some time, take it from there.

3. Get closure: When the time is right that is! Don't move too quickly. Sometimes what we want is to contact an ex, just for the hell of it. If you need closure, get some. Sometimes instead of closure, things may possibly get fixed, but don't go into it with expectations. After giving yourself the adequate amount of time and you're in a place that's as good as it's going to get for the moment, go for it.

On-Again, Off-Again: Celebrity Couples Who Can't Make Up Their Minds

B

y Deanna Atkins and Laura Seaman

In Hollywood, you never know who's going to be the next big couple, especially when the new duo may breakup before

official word even gets out. To be fair, it has to be difficult to maintain a relationship that's constantly in the public eye. Aside from frequent budding romances, we're constantly hearing about those twosomes who just can't commit. They're on one week and off the next week, and then before you know it, they've eloped...only to divorce weeks later.

These three pairs constantly keep us guessing and never fail to surprise us with yet another breakup or makeup. Sometimes we enjoy staying on their relationship roller coaster ride, but still, we have to wonder why these stars are so incapable of staying together:

Lady Gaga and Taylor Kinney: If you were as busy as the pop star, you'd probably find it challenging to keep a boyfriend too. But as her touring schedule has slowed down, it seems like she and the *Chicago Fire* actor are back on again! The 'Born this Way' singer has been with the 33-year-old for three years now, and rumor has it, she's been looking at wedding dresses in Canada. The pair have been seen on romantic skinny dips and dining at Gaga's father's restaurant, but don't be fooled by their seemingly effortless relationship because it's definitely a tough one to maintain.

Sammi Giancola and Ronnie Ortiz-Magro: Whether this couple's out of control relationship was purely for entertainment purposes or not, everyone can't help but love to hate the *Jersey Shore* duo. The guido and guidette got together on the first season of the show, and, ever since, we've seen the twosome through the crying, name calling, and all out physical brawls. It's actually a rarity when they're filmed *not* fighting.

That said, there are those times they honestly look happy together. Between his fohawk and her Jersey-girl attitude, they couldn't be more perfect for one another. Let's give them some credit though: Since the filming of the sixth season

ended, they're officially on and have even moved in together.

Selena Gomez and Justin Bieber: This A-List couple has been on and off for quite a while. As of now, the pair seems to be back together. For the past few years, fans have been told about their constant breakups, only to be shown pictures of the two cuddling on Instagram.

It's no surprise that there's friction between them. The former Disney star seems to be rapidly climbing the ladder of success in both music and film. Bieber, on the other hand, just keeps getting in trouble and can't seem to catch a break. From his DUI to videos of his vulgar behavior, this pop star isn't gaining much support lately. For a while, there was even a petition to deport him to his home country! Despite all of this drama, America's darling seems to be smitten with this Canadian bad boy.

Whether these celebrities don't realize what they have in front of them or they're waiting to see what else is out there, anyone can relate to needing a push in the right direction. Either way, it's not beneficial for anyone to be in a consistent on-again, off-again relationship!

Celebrity Couples Who Have Turned Over a New Leaf

Hollywood just may be the one place where the phrase “love is a battlefield” is an understatement. The land of fortune and fame is the forefront for some of the most scandalous relationships and splits we’ve ever witnessed.

But finding love is not the problem for these celebs; it’s keeping it. For many, passionate romances and ‘I do’s’ end as suddenly and tragically as their last. But luckily, every love story has a different ending... and some endings turn into new beginnings. These four celebrity couples came armed the second time around on the battlefield of love and came out on top:

1. Kourtney Kardashian and Scott Disick: Kourt and Scott's relationship has been public since the debut of *Keeping up with the Kardashians* in 2007. Their relationship proved to be the most entertaining in the E! hit reality show thanks to Kourtney's headstrong, sarcastic personality and Scott's wacky, drunken behavior. The couple was known for their rocky relationship, the majority of the blame being placed on Scott's infidelity and immature lifestyle. Kourt pulled the plug on Scott multiple times during their relationship as well as her pregnancy with their first child, Mason. By this point, we all thought Scott had crashed and burned for the last time. Scott finally straightened up his act after Kourtney banned him from seeing Mason. And now seven seasons later, the two are going stronger than ever with the recent birth of their second child, Penelope. If this couple can bounce back, there's hope for us all.

2. Miley Cyrus and Liam Hemsworth: The relationship between Miley and Liam is nothing but a match made in heaven. The grown-up Hannah Montana star met the blue-eyed Aussie in 2009 while filming *The Last Song*, where they played the roles of young adults who fell in love over summer break. As it so happens, their love story transferred off the big-screen into real life... taking both the good and bad. In the movie, the couple actually breaks up, much like they way they did in 2010. The exact reason may not be known, but the two just couldn't stay away from each other. Cyrus and Hemsworth gave it another try in 2011. The actor popped the question to the singer earlier this year and have been engaged for nearly six months. If there was ever a sequel to "The Last Song," this would be it!

3. Sammi Giancola and Ronnie Magro: If you've ever seen *Jersey Shore*, you know all about Sweetheart Sammi and Ronnie the Guido. The only thing their relationship was known for was extreme inconsistency and drama. Ronnie's unfaithfulness led

us to believe their relationship was practically doomed. Sammi and Ronnie's relationship was without doubt unhealthy, opening doors to verbal and what appeared close to physical abuse. After breaking up countless times throughout multiple seasons, we all anticipated when their rocky romance would end for good. We now know the answer to that: apparently never. The couple is still together today. The good news is that they seem to actually be in a functioning relationship these days. Their love has proved strong enough to overcome their seemingly irreparable past.

4. Audrina Patridge and Corey Bohan: Audrina Patridge is known for her role on *The Hills* but her relationship with BMX biker Corey Bohan was displayed on her VHL reality show *Audrina*. Her Aussie beau was prince charming until the show revealed one of his less favorable qualities: possessiveness. Throughout the season, Audrina struggled with her controlling boyfriend who proved to also have a bit of a temper. By the end of the season, Patridge dumped Bohan with the support of her mom. But little did we know that the couple would rekindle their flame a couple months later. Since the show's end, we haven't heard much on their relationship besides the occasional romantic getaway or public event, but everything seems to be in the clear. They have been going steady since the summer of 2011.

Celebrity Couples Who

Reconciled For the Summer

Celebrity couples are breaking up, getting back together, moving on, finding new love and embracing the single life on any given day. In fact, many of them are experts at being indecisive and unstable when it comes to relationships. It's not exactly a lifestyle to strive toward, but that doesn't mean it doesn't make us smile when a sweet pair of our favorite stars decides to get back together after previously calling it quits. Here are some notable duos that elected to give it another shot this summer:

1. Lady Gaga and Luc Carl: Gaga told *Rolling Stone* last year that she had never loved anyone like [Luc Carl] before. She was even quoted as saying, "That relationship really shaped me." Despite these words, it was reported in May that the *Bad*

Romance singer ended their “few year relationship.” It was short-lived because by June the couple appeared to be together again. A source told UsMagazine.com, “They had a little fight. I think the break-up lasted a week or two. They are totally back together now.” Sounds like this one may have been the shortest breakup in celebrity history.

2. Rachel Bilson and Hayden Christensen: The on-again off-again duo met on the set of *Jumper* in 2007 and was engaged a year later. They struggled through many ups and down and finally called things off, splitting for good, in March 2011. Following the breakup, a source close to Bilson said, “They’re done this time. [The] engagement is over, relationship’s over. She’s really had it.” I guess the source was wrong given that the *Hart of Dixie* star reunited with her ex about a month later. Most recently, the couple has been seen traveling and spending time together. Hopefully by the time we print this they’ll still be together.

3. Sammi (Sweetheart) Giancola and Ronnie Ortiz-Magro: Remember back in January when the *Jersey Shore* couple split after dating at irregular intervals for three seasons? The ex-couple must have had time to reunite (again) this summer during their shooting in Florence, Italy. With Sammi and Ronnie, one can never tell if their on or off. Right now it seems like they are lovey-dovey, kissing, hugging and holding hands, but sometimes their fighting looks like that way, too.

4. Jamie Lynn Spears and Casey Aldridge: Spears was engaged to her boyfriend, Aldridge, when she announced at the age of sixteen that she was pregnant with his child. The couple ended things before deciding to tie the knot; a baby wasn’t enough to keep this relationship together. Then, in August of last year, People reported that the former Nickelodeon star and her beau were working things out and most recently, Spears tweeted that she and her daughter’s father are back together.

5. Miley Cyrus and Liam Hemsworth: Looks like the *Hannah Montana* star and her ex-boyfriend didn't sing their last song. In June, Cyrus's brother Trace told *UsMagazine.com* that his sister and Hemsworth had rekindled their romance. The couple fell for each other in 2009 while filming *The Last Song*, but split the following August. When Miley's father, Billy Ray Cyrus was asked during an interview what he thought of the Australian hunk getting back together with his daughter, he said that he approved of their relationship. "He's a great guy. He's solid. He's got great character." Well, if it doesn't work out this time, Hemsworth can always hang out with Miley's dad.

Are Jersey Shore's Sammi and Ronnie Back Together?

T
his “situation” just got more interesting. *Jersey Shore*’s Sammi Sweetheart and Ronni Ortiz-Magro were caught sharing a PDA performance in Italy, according to [RadarOnline](#). The on-again-off-again duo ended things at the end of season three in an over-dramatic style, but the romance is appearing to bud again while in Europe. The cast is heading back over to Jersey to finish filming the fourth installment of *Jersey Shore*, confirmed a source from MTV, which is set to premiere August 4.

What are some reasons to reconcile with your ex-partner?

Cupid’s Advice:

It’s hard to come back together after a fight, but Cupid has some ways to help you work things out:

- 1. Closure:** You don’t have to necessarily get back together with your ex, but just talking things out and moving past it is a good enough reason to make up.
- 2. Seek forgiveness:** You may have guilt built up from when your relationship ended. Apologizing for whatever happened

can help you move on and possibly rekindle a friendship.

3. Still got feelings: Perhaps you want to try things again with your ex, and letting go of any previous arguments builds a solid foundation for your comeback.

Would you ever get back together with a former lover? Tell Cupid about it below.

Jersey Shore's Sammie and Ronnie: Officially Over?

It's official! *Jersey Shore* couple Sammie "Sweetheart" Giancola and Ronnie Ortiz-Magro have split up, according to

Entertainment Tonight. After dating on-and-off for three seasons of the hit reality show, the pair have ended their relationship for good. The pair first connected on the first season of *Jersey Shore*, which was then followed by a second season picturing Ortiz-Magro in questionable scenes with other women. That said, Giancola told *People* that her on-again-off-again boyfriend is “an all-around good guy” despite their tumultuous relationship.

Are on-again-off-again relationships healthy?

Cupid's Advice:

The path to love can often be tough, and every relationship requires commitment and hard work. Cupid has ways to tell if your relationship is in need of a health check:

1. Reason for staying: Figure out what's making you stick around. If you truly care for the person and want to make things work, maybe going back to an ex isn't always the wrong decision. But if you're only going back to him because you're scared of change and don't think you can do better, don't do it!

2. Feeling of responsibility: Obligation is never a good reason to be with someone. Past feelings of guilt or just a feeling that you “should” be dating someone for a particular reason isn't something that a relationship should be based on. If you get back with an ex, make sure it's simply because you see a future with him.

3. Resolving issues: In order for your relationship to survive, resolve the issue that drives you both apart before getting back together. If neither of you want to change your ways, maybe it's time to move on and start over with someone else.
