

# Celebrity Parents: Struggling with Postpartum and Recovery Tips

By [Bonnie Griffin](#)

When you have a baby it's the happiest time of your life... until it's not. Many mothers struggle with a sense of extreme sadness and depression after giving birth. It may feel like you're all alone, and like you need to hide your feelings and pretend to be happy even if that's not what you're feeling but it's not. [Celebrity parents](#) like [Katy Perry](#) and Serena Williams are speaking out about their battle with postpartum depression. It's nothing to be ashamed of because it is very real for many new mothers.

# Parents, you're not alone. Even celebrity parents struggle with postpartum.

According to *People.com*, celebrity parents like Katy Perry, Serena Williams, and Alyssa Milano are helping to shed some light on the reality of postpartum depression. Williams opened up saying, "Sometimes I still think I have to deal with it, ... I think people need to talk about it more because it's almost like the fourth trimester, it's part of the pregnancy." These celebrities are helping shed light on the fact that postpartum is not something to be ashamed of; it is a natural part of giving birth and the first step to beginning to feel better is to accept it is natural and you don't need to hide. Here are some recovery [parenting tips](#) for dealing with postpartum depression:

**1. Respond to your child's needs:** Build a bond with your baby. That may seem like a lot when you're feeling like you're stuck in sadness and darkness, but take it one step at a time. You build a bond by meeting your baby's needs. When they cry, pick them up, have skin-to-skin contact, sing to them, anything as long as you're interacting with them in a positive manner. As your bond grows between you and your baby it will help you both to feel more secure and help you feel better, too.

**2. Take care of yourself:** It can be easy to get lost of taking care of your baby instead of taking care of yourself after giving birth. This can be further exasperated if you're suffering from postpartum depression. Take your vitamins, and make sure you are sleeping when the baby sleeps. Ask your friends and family for help so you can get some time to yourself to pamper yourself and make sure you're getting enough sleep. Get outside and get some sunshine because it can

positively impact your mood.

**3. Use your support network:** Loneliness can make your postpartum feel worse, and leave you feeling lost in the dark. Reach out to your friends and family for support when you're lonely. Visit them or invite them out to lunch. They can offer social and emotional support that will help boost your self-esteem and lift your mood.

**4. Therapy:** If self-help and lifestyle changes are not enough to pull you out of your depression you can seek therapy. A doctor may also prescribe medication or counseling and psychotherapy to help you talk about your concerns and set manageable goals to help you take steps towards feeling more positive.

Postpartum affects many new mothers. What are some tips you have for lifting your spirits when you feel depressed? Let us know in the comments below.

## **Celebrity Interview: 'The**

# Cycle' Co-Host Aliya-Jasmine Sovani on Work, Life, Love and Balancing It All

By [Noelle Downey](#)

Aliya-Jasmine Sovani is one of the newest voices at NBC with the talk show she co-hosts, *The Cycle*, now airing digitally to reach a millennial audience. With her show, she strives to make the news more accessible to young people by creating a haven for a well-researched blend of political, pop culture, and sports news that so many viewers wish they could find with just a quick Google search on their phones. And now they can, thanks to *The Cycle*. When she's done at work, the co-host has a life full of love, laughs, fashion, and friends to enjoy. In our recent [celebrity interview](#), Sovani opens about how she

manages to have it all, from her dream job to true love.

## **Aliya-Jasmine Sovani Spills Details on Her New NBC Talk Show *The Cycle* in Celebrity Interview**

While *The Cycle* may be hosted by NBC, one of the biggest networks around, Sovani insists that this new digital take on a talk show is bringing something brand new and accessible to younger viewers – and a lot of that has to do with the tone of the show. “Imagine Anderson Cooper doing the six o’clock news and then going home in the evening, and he throws a black v-neck T-shirt and cracks open a beer,” she explains with a laugh. “The way that he would explain his day to Andy Cohen at night over a drink is the way that we try to do the news every day.”

**Related Link:** [Celebrity News: Anderson Cooper Thanks Boyfriend Ben Maisani at GLADD Awards](#)

Of course, it’s not just the tone; it’s also the content, which the co-host says is chosen with younger viewers in mind. “We’ll do all the biggest headlines when it comes to world news and politics, but we also cover sports and pop culture,” she says, “so if Kendrick Lamar drops a new album, we’ll talk about that with the same kind of importance.”

In this new digital world, convenience is everything. Sovani believes it was important to make this show as easy to access on-the-go as possible to match the fast-paced life of most modern millennials. “Our show is completely made to watch on your phone, which I think is really cool and forward-thinking,” the co-host shares. “This is new: the idea of traditional news networks pushing out content to a millennial audience using digital and social platforms. Being able to be part of that movement, as a storyteller and as a journalist,

is really rad and incredibly fulfilling. Not only am I getting to tell stories that I care about, but I'm able to tell them on a platform that I also use to consume information."

## ***The Cycle* Co-Host Dishes on Her Favorite Date Night**

Of course, with a new show and such a busy work schedule, Sovani has to set some serious boundaries to make sure that she can find time to just relax. So what are her secrets for achieving that perfect work-life balance? "I live about three blocks from the ocean. I have a little rescue mutt, and I bring him to the ocean every single morning, and that's kind of my tranquility," she says in our celebrity interview. "I also have a rule at home: I don't have my phone in my bedroom at all. I won't even use it as an alarm. And I have a 'no weekends' policy. So the only time I'll check my email and my phone on the weekends is on Sunday night at 6 p.m., just to get ready for Monday."

During these social media and digital fasts, Sovani still has plenty to entertain her: "I just let my weekends be about me and my dog and my boyfriend," she enthuses. "We really like to go out for brunch, and we spend a lot of our weekends at the ocean. For me, that's everything."

**Related Link:** [Do-It-Yourself Date Night Advice from HGTV Host Monica Pedersen](#)

Sovani isn't just making strides in her professional life; she's also taking big steps in her [celebrity relationship](#). She admits that this is the first time she's ever lived with a boyfriend, so she's concentrating on keeping things fresh and fun. "I think it's very easy to get into a routine where all you guys talk about is work when you get home," she explains, "so we decided to try to go to more comedy shows! Instead of just doing a dinner [date night](#), we decided to start doing

‘dinner and comedy’ nights. We’ll see the show, and then we can go for dinner and talk about it and the world at large.”

So is laughter truly the best medicine? For Sovani and her special someone, it certainly is. “I think that it reminds you of why you were intellectually attracted to that person,” she reveals. “For both of us, that’s what we find really attractive about each other. So that’s been a great addition to our relationship.”

## Aliya-Jasmine Sovani Reveals Her Go-To Fashion Item

Of course, whether in the office or on date night, Sovani is committed to looking fantastic. And there’s one item that she just can’t live without: “Sheath dresses are my new thing that I love in my 30’s,” she gushes. “I have these really great leather Oxford booties that I wear with my sleeveless sheath dresses and maybe a blazer thrown on top for work. Then, in the evening, all I have to do is replace those shoes with a cute pump and my briefcase with a nice little Chanel bag. That’s been my new date night trick.”

**Related Link:** [Fashion Advice: Choose the Perfect Date Night Dress](#)

With style tips as good as that, Sovani is clearly in-the-know when it comes to trends, and her knowledge of [celebrity news](#) is just as on point. Her favorite bits of celeb gossip right now are focused on two powerhouse ladies: [Kim Kardashian](#) and Serena Williams. “I read a headline about how Kim is being really open about getting a surrogate to have her next child. I know for many woman, that’s been a taboo topic,” she says. “So I think it’s really interesting that she’s being very open with it. It’s opening up a dialogue for women who might not be able to have children and who have thought about that.”

And it turns out the journalist is also a huge fan of how Williams recently shared her pregnancy photos. “I think that’s really incredible because she has this iconic strong female body and all women are pressured into looking certain ways,” Sovani explains. “Female athletes especially spend so much time conditioning their bodies, so for her to flip the switch and watch her body transform publically is really brave.”

# to indulging in a babymoon?

## Cupid's Advice:

With a baby on the way, traveling can seem like a daunting proposition. But there are tons of benefits to turning a [romantic getaway](#) into a special babymoon to celebrate your upcoming family addition. Here are Cupid's top tips on why you should prioritize a trip the next time you and your partner get such happy news:

**1. It's your last chance to travel kid-free:** While traveling while pregnant can be a mild ordeal, traveling with a baby or small child is exponentially more difficult! Considering that this may be the last opportunity you and your partner may have for a trip that's all about you, it might be a good idea to take the plunge and enjoy one last luxury vacation – minus the pitter patter of little feet.

**Related Link:** [Serena Williams Is Expecting a Celebrity Baby](#)

**2. It's a great way to bond:** Even if you're both super excited to be parents, it's likely that if you don't get away to celebrate, "real life" may distract you from your happy news. Get away from the pressure of work and other time commitments for a bit, even if just for a weekend, and really focus on the dreams, plans and hopes you have for this new special individual you're bringing into the world. One-on-one time will give you tons of opportunities to talk about your future favorite kiddo, and even make a great plan for your first few months as parents too.

**Related Link:** [Serena Williams Talks Celebrity Engagement to Boyfriend Alexis Ohanian](#)

**3. Relaxation is vital:** Pregnancy is a wonderful miracle of life, but it also comes with its fair share of aches, pains and uncomfortable moments. Taking a trip to a spa, a beach, or

other luxury travel destination with your partner and just letting yourself really relax will do nothing but benefit you and your baby's health and help you center and collect yourself for the harder parts of bringing life into this world!

Williams and Ohanian seem prepped to be celebrity parents and are enjoying a little one-on-one time before their little one arrives! What are your favorite kid-free retreats to visit with your partner for a relaxing getaway? Let us know in the comments!

## Serena Williams Is Expecting a Celebrity Baby

By [Whitney Johnson](#)

Serena Williams shared some exciting news via Snapchat: She's expecting a [celebrity baby](#) with fiancé Alexis Ohanian! As reported by [EOnline.com](#), the sports queen posted a picture of herself in a yellow one-piece bathing suit with the caption, "20 weeks." The [celebrity couple](#), who announced their engagement in late December, recently vacationed together in Tulum, Mexico – a babymoon, perhaps? Offering another hint about her celebrity pregnancy over the weekend, Williams posted a photo to Instagram and wrote, "Fighting to get up this morning." It's no surprise that this celebrity baby has already attended his or her first major sporting events: The tennis star was two months pregnant when she beat her sister at the 2017 Australian Open in January.

**There's a sporty celebrity baby on the way! What are some factors to**

# consider about your fitness routine while you're pregnant?

## Cupid's Advice:

Pregnancy changes a lot of things: what you can eat, what you can wear, and how you can exercise, just to name a few. If you have a baby on the way, here are some factors to consider about your fitness routine:

**1. Listen to your body:** Most importantly, pay attention to what your body's telling you. Pre-pregnancy, you may have pushed yourself to run that half-marathon as fast as you can. Now that there's a little one on the way, listen to how you feel: Are you uncomfortable? Do you feel faint? Are you drinking enough water? Do you need to take a break?

**Related Link:** [Serena Williams Talks Celebrity Engagement to Boyfriend Alexis Ohanian](#)

**2. Drink plenty of water:** Make sure you stay hydrated before, during, and after exercise. Dehydration during pregnancy can lead to a number of problems, including decreased blood flow to the placenta, early contractions, and increased risk of overheating.

**Related Link:** [New Celebrity Couple: Serena Williams is Dating Reddit Co-Founder Alexis Ohanian](#)

**3. Skip dangerous sports:** Continue with your swimming or yoga practice for as long as you feel comfortable, but avoid sports that involve a lot of contact, like basketball or soccer, or that involve rapid movements and balance, like racket ball, gymnastics, and water skiing.

## **Celebrity Couple Predictions: Gwen Stefani, Serena Williams and Nicole Scherzinger**

By [Shoshi](#)

If you're looking for the latest celebrity news and romance rumors, you've come to the right place! Below, I consider the future of three [celebrity couples](#), two new pairs and one on-again, off-again duo.

## Get the Latest Celebrity News on Blake Shelton and Gwen Stefani

**Blake Shelton and Gwen Stefani:** When it was announced that Gwen Stefani and Gavin Rossdale were getting a celebrity divorce, it wasn't a big surprise. Throughout their marriage, there were cheating rumors on Rosedale's end – and where there's smoke, there tends to be fire. Good for Stefani for doing what she needed to do to get out of their marriage and get on with her life. Besides, she's as hot as ever; she will land another lover...which brings us to her new romance with Blake Shelton.

**Related Link:** [Gwen Stefani Drops New Music Video About Celebrity Divorce](#)

If ever someone needed to have fun after ending a marriage, it's the pop star. Looks like Shelton is the right partner in crime! I don't see this relationship and love as a long-lasting one though. It's simply two people coming together to heal as they put their marriages behind them. After Shelton, Stefani will move on to a new guy who is a little younger and wants to settle down.

**Serena Williams and Alexis Ohanian:** It seems like any man that the tennis star speaks to for more than five minutes gets the title of "boyfriend." Currently, that man is Alexis Ohanian, the co-founder of Reddit. Rumor has it that they were seen holding hands after one of her workouts. However, I have to ask: Is there even one photo of this celebrity couple together? It'd be nice to have a little proof that they have been in the same room at the same time! Unfortunately, Williams tends to keep her personal life to herself, so it may a while before we get the true scoop on this pair.

This relationship looks like a casual one, though it could very easily turn out to be the real deal. They're both at the top of their field; they both have their own money; and they're both good-looking. It's a grand slam.

## **Shoshi's Prediction for Celebrity Exes Nicole Scherzinger and Lewis Hamilton**

**Nicole Scherzinger and Lewis Hamilton:** These two make one hot famous couple. When they walk a red carpet, people have to fan themselves. That being said, it's not all hearts and flowers between them. They have broken up and gotten back together so many times that they probably don't know which date to use as their anniversary.

**Related Link:** [Nicole Scherzinger and Lewis Hamilton Become](#)

## [Celebrity Exes Again](#)

Besides their six-year age difference, there seems to be a lot of physical distance. Scherzinger lives in Los Angeles, while Hamilton lives in Monaco. It's being said that the distance is causing a strain on the relationship and love. Plus, there's the fact that Hamilton won't marry Scherzinger. Put all of that together, and it screams *hot mess*.

One of them is going to have to put an end to all of the celebrity break-ups and make-ups. From what I see, it will have to be Scherzinger. It looks like they want different things from their relationship. If no one is willing to move to make this relationship work, it doesn't stand a chance.

Love may be in the air, as a new [celebrity couple](#) has been spotted. Celebrity tennis player Serena Williams and the co-founder of Reddit, Alexis Ohanian, are dating! [UsMagazine.com](#) revealed the celebrity news with a statement that the celebrity relationship is new. The two were seen going to the gym together hand-in-hand, and Ohanian has taken up tennis – something he had no previous interest in until Williams. It's pretty sweet of Ohanian to take up Williams' sport of choice!

**This is one high powered celebrity couple! What are some ways to support your partner's hobbies?**

#### **Cupid's Advice:**

Supporting your partner's hobbies is a wonderful thing to do, whether you're a celebrity couple or not. Cupid has some dating advice to put you on the right track in supporting your

partner:

**1. Be like Ohanian and try your partner's hobby:** Ohanian hasn't had an interest in tennis until he recently started seeing his new girlfriend, Serena Williams. Since tennis is clearly one of Williams' passions in life, Ohanian has decided to try out the sport himself. You can also take up a hobby of your partner's to get a feel for something they're passionate about.

**2. Be there for your partner:** If your partner plays a sport, show up to the game and cheer them on. If he or she needs a ride to a class, drive them. If they don't need either of those, just let them know that you support what they're doing, that you're there for anything they need, and you're cheering them on.

## **Serena Williams Crashes Wedding in Leopard-Print Swimsuit**

By Shannon Seibert

Wedding crashing is one thing, but wedding crashing in animal-print pool attire is something else. Tennis star Serena Williams shocked one unsuspecting couple on Saturday, May 31 at their wedding ceremony on the beach in Miami, Fla. Williams had been posing for a shoot with friend and fellow athlete, Caroline Wozniacki. The delighted couple then invited Williams to be a part of some of their wedding photos, according to [UsMagazine.com](http://UsMagazine.com).

**What are some ways to surprise your wedding guests?**

**Cupid's Advice:**

**1. Put on a performance:** A couple's first dance is supposed to make a huge statement that reflects the couple's relationships. Some brides submit their hubbies-to-be to weeks of dance lessons. Really wow your guests with a dance number. You could begin a flashmob, including the bridal and groom

parties or even put on an impressive waltz that will have your mother's eyes watering in awe. Just have fun with it and make musical memories with the love of your life.

**2. Make a random change in venue:** Spontaneity never disappoints, ever. If your wedding is inside, but the weather is absolutely enchanting outdoors, relocate outside the venue last second. I mean it's your wedding, right? Sure, you may not have all of the decorations you wanted, or the traditional appeal, but spur of the moment decisions is what makes this wedding yours. The day is what you make of it, so if you want to create your fairytale in the parking lot, so be it!

**3. Channel your inner Oprah:** *"You get a gift! He gets a gift! She gets a gift! You all get gifts!"* Free stuff is the best stuff. Let's be honest, this day is all about you, but your guests do want to feel included and appreciated on your special day. Show them some love with adorable personalized gifts, with an inside joke or an item that reflects their personal taste, such as a certain type of wine bottle. The gesture will show how much you care and they'll be even happier that they attended.
