

Celebrity Vacation: Make Your Anniversary Special With a Vacation Like Sofia Vergara & Joe Manganiello

By [Mara](#)

[Miller](#)

[Sofia Vergara](#) and [Joe Manganiello](#) are no strangers when it comes to showing their love for each other. This [celebrity couple](#) became an item in 2014 and married the following year. Most recently, they jetted off to Positano, Italy for a [celebrity vacation](#) to celebrate their five-year dating anniversary. It's important to show your partner how much you love them and to celebrate important dates like Vergara and Manganiello, but how do you make it special?

Here is how to make your own anniversary with your partner special like Sofia and Joe's celebrity vacation dating anniversary!

Even if you decide not to jet off to Italy like Vergara and Manganiello for your own anniversary with your partner, there are still ways to make it special:

1. A mini-getaway: Celebrate your dating anniversary with your partner by whisking them off to the beach for a mini getaway, no matter what time of year. Somewhere along the beach in Virginia or the Carolinas, for example, is surprisingly tame in the off-season and you can't beat some of the great hotel prices. You might not be able to swim outside, but you'll still be able to enjoy a walk on the beach together.

2. Take them to a restaurant they've been dying to try: Has your partner been dying to try a restaurant a few states over because of their excellent ratings? Plan a day to drive them to a restaurant they've always wanted to try, but haven't tried yet because it's either too far or too pricey. If it's a higher-end restaurant, you might want to save for it, but it will be worth it to spend the night dining with your partner.

3. Save up for a larger vacation: Has your partner *really* wanted to travel to Europe, but you've just never had the time or money to travel? Why not save up and go on your anniversary? It can be anywhere in the world—Italy,

France, England, Spain—the possibilities are endless. Just be sure to check travel guidelines in the country you're planning to visit because some may require a tourist travel visa and your passport will need to be valid for so many months before you can enter the country. Flights can be up to \$2000 dollars as well, so you'll want to start planning with a budget that will allow you to cover flight costs as well as lodging and a rental vehicle.

4. Rent a cabin for the weekend: If your sweetie is more of the outdoorsy type, renting a cabin for the weekend is a way to have a home away from home. Some cabins will even let you bring your dog(s)! Cozy up by a great fire if it's for winter, or explore activities in the area like hiking or other sight-seeing options.

5. Take a craft or cooking class: Nothing brings people together like food or learning a new craft. The options on what kind of craft are endless, from decorative crafts with pottery making or a decorative craft like painting stained glass. Not the best cooks together? A cooking class can help you and your partner learn more about the art of making food, from the basics of putting together a batch of pretzels to cooking your own gourmet meal. No matter what you choose, it's sure to be special, and make you and your partner closer!

Celebrity Wedding Update! Sofia Vergara Says She'll Tie the Knot with Joe Manganiello 'Soon'

By

[Courtney Omernick](#)

Sofia Vergara recently admitted to [E! Online.com](#) that her [celebrity wedding](#) to Joe Manganiello will happen soon! The celebrity engagement happened over Christmas Eve while Sofia and Joe were in Mexico. The celebrity couple has been together for about a year. Sofia also noted that the celebrity wedding will be happening “far, far, away.”

This much awaited celebrity wedding is drawing near! How do you know when to have your wedding?

Cupid's Advice:

With a lot of celebrity relationships turning into celebrity engagements, it can be tempting to try to model your wedding after a celebrity couple's. However, a wedding is your time to decide what's right and what will work best for you and your situation, not someone else's! Below are some ideas to help you figure out when to have your wedding:

1. Weather: The weather might be the number one factor in

deciding when to have your wedding. If you'd like an outdoor wedding, but live in the Midwest, you might want to hold off on getting married until June, July, or August.

2. Holidays and events: Some people might plan their big day during Labor Day or Memorial Day weekend because of the extended time off. However, this might also be time for many other's family reunions, vacations, etc. If you can, try to stay away from a holiday weekend or weekends during the year where you have large family events.

Celebrity Couple Predictions: Leighton Meester, Sofia Vergara and Taylor Swift

By [Shoshi](#)

The latest celebrity news has been filled with juicy relationship gossip, including a [celebrity pregnancy](#) announcement, a famous couple prepping for their celebrity wedding, and a singer finally settling down. Check out my predictions for the three celebrity couples below and find out what's next in their relationships and love lives!

Latest Celebrity News About Three Celebrity Couples

Leighton Meester and Adam Brody: It was recently announced that Leighton Meester and Adam Brody are expecting their first celebrity baby together, sending *Gossip Girl* and *The O.C.* fans into a tizzy. I predict that their little bundle of joy will be a very cute baby, though one doesn't have to be a psychic to see that.

Related Link: [Celebrity News: Leighton Meester Says She's Never Been Dumped](#)

I have to admit that I see something in their celebrity marriage that says that this famous couple won't be together

for the long haul – that’s something that I’ve noticed since they first got married. What I see could also be a rough patch down the road that leads to a little time apart; they may find their way back to each other. Only time will reveal the outcome of this relationship and love!

This celebrity couple has let it be known that they want a bunch of kids, and I see four children circling Meester. Once this baby comes, it’s possible that the actress will focus on being a mother for a while – a bummer to her fans but a bonus to her baby.

Sofia Vergara and Joe Manganiello: I can’t help but still give this famous couple the side eye. For some reason, I keep seeing Vergara and Manganiello thrown together for publicity purposes. My psychic juices say “staged.” While they make one dynamite-looking couple, there is something that is a bit off about them. Their body language doesn’t read like a couple crazy in love. Maybe the need for companionship is what brought them together.

Now, Vergara is saying that she would like to have celebrity babies with Manganiello, even though she previously said that having more kids was not a priority. I don’t see any more kids in her future, at least not any that she’ll give birth to. Until Vergara and Manganiello walk down the aisle together, I can’t see them as a serious pair. If they do go through with it, their celebrity marriage will be short-lived. May they prove me wrong! I do wish them the best.

Taylor Swift and Calvin Harris: I love to see [Taylor Swift](#) stepping out with her new man, DJ and music producer Calvin Harris. They make a nice-looking couple. Harris is known for being a bit of a playboy, but it looks like things are progressing well with the songstress. Cheating rumors have

surfaced over the past few days – and they won't be the last ones. We can expect more gossip and women throwing themselves at Harris because they want to cause trouble between him and Swift.

When I first saw them together, I didn't see this relationship lasting for more than a few minutes, but it looks like the tide has turned. In fact, it seems like it could go longer than most of Swift's romances. As you probably know, the singer's past relationships have lasted for about ten minutes, and people have often wondered why she can't seem to keep a man around. I see Swift and Harris in a relationship for about a year and a half to two years. I don't see wedding bells, but you can expect for Swift to write nice songs about her new guy.

Sofia Vergara Breaks Silence on Frozen Embryo Saga with Celebrity Ex Nick Loeb

By Maggie

Manfredi

Let's hear it, Sofia! According to [UsMagazine.com](https://www.usmagazine.com), Sofia Vergara finally came forward about her frozen embryo drama with [celebrity ex](#) Nick Loeb. Vergara and Loeb broke off their celebrity engagement a year ago, and with that came a contractual agreement on what to do with the frozen embryos the celebrity exes produced. The founder of Crunchy Condiment Company wrote an Op-Ed in the *New York Times* about his strong feelings that these embryos should be thawed. The *Modern Family* star, who is happily engaged to Joe Manganiello, spoke on the matter with Howard Stern on his radio show. Vergara stated, "Joe and I try not to even talk about it," she said. "We have lawyers. We're having so much fun right now. We just moved into a new house. We're planning a wedding. We try not to think about this, we can't do anything. It's signed, it's done, and that's it."

These celebrity exes are still fighting! What are some ways to

keep the drama at a minimum post break-up?

Cupid's Advice:

Not all break-ups end amicably. Dealing with the backlash can be a little stressful, but Cupid has some tips on how to keep the drama to a minimum:

1. Avoid commentary: Don't go sharing every thought and feeling about your ex with the world, especially if the wounds are still fresh. Sofia waited it out and commented when it was appropriate, so you can exude patience, too.

2. Don't mix new with old: Have you moved on to a fetching new love (here's hoping you're having as good of luck as Joe and Sofia)? Try to keep the paths from crossing, as the last thing you want is to bring in drama to your new relationship or pile more on to your old one.

Another celebrity wedding is underway. Sofia Vergara and Joe Manganiello recently revealed that they will tie the knot this coming fall. The famous couple got engaged over the holidays after only six months of dating and the marriage plans are not moving much slower. According to [UsMagazine.com](#), although the Hollywood couple are still finalizing the wedding date, one thing they do know is that their celebrity wedding will be huge. "It's going to be big," Vergara said. "We started off with 20 [on the guest list], and now there's like pages and pages."

Whether it's a celebrity wedding or not, timing is crucial. What are some ways to decide when to have your wedding like this famous couple?

Cupid's Advice:

Setting the date of your wedding is one of the hardest decisions to make after getting engaged. Should you go for a long engagement or a short one? Should you follow the love advice of your family and friends, or follow your heart? Cupid has some tips:

1. Choose your season: First, let's start broad and then narrow our way to the perfect date. Choosing the season you want to get married comes first. Do you want summer beach pictures? Would you prefer pictures with the leaves changing color in the fall? Think of what season makes for the best pictures.

2. Choose your price: The budget can actually decide when the ceremony will take place. For example, June, July, August, and September are the most popular times to marry, so the prices during these months will be higher. Also, deciding to marry on a weekday instead of the weekend can save money, as Saturday night weddings carry a hefty price tag.

3. Keep in mind the no-no days: After choosing what season, what month, and whether or not it will be a weekend or weekday, then you have to keep in mind specific days. For example, take a poll of the most important people who have to be there and block off their no-no days. Keep in mind various religious holidays, crunch time at work, and any other plans that may come in the way. Choosing your no-no days will narrow down your options once again, and then you're ready to decide!

Nick Loeb Is Dating New Actress Post-Celebrity Break-Up From Sofia Vergara

By Maggie

Manfredi

These celebrity exes aren't wallowing! According to UsMagazine.com, Sofia Vergara has publicly moved on since her celebrity break-up with Nick Loeb, and it didn't take long for Loeb to do the same. The Onion Crunch creator is now dating actress Katheryn Winnick. The famous couple have been dating for a few months now and were spotted at Golden Globes parties together. Loeb and Vergara split in May after their celebrity engagement.

Celebrity break-ups are hard due to the public nature of them, but social media has now made our everyday relationships and love life more public, too. How do you cope when everyone knows about your break-up or divorce?

Cupid's Advice:

Dealing with a break-up or divorce is hard enough without having to add social pressures to the mix. Cupid has some tips:

1. Delete a post if necessary: Unlike celebrity break-ups, you won't have celebrity photos in the tabloids. However, you will still feel pressure if you have the old pictures of you and your ex online. It isn't fun to have the relationship right in front of your face every time you scroll through your feed. So, delete what you need to in order to feel better.

2. New partner means new rules: When you have taken the time you need from your past relationship and moved on like these celebrity exes, be honest with your new fling. Everyone has a past, so having an open and honest conversation about moving forward together will be a great start to your relationship.

3. Don't sweat the small stuff: People will always talk. There is an old saying that "all press is good press" which may

either be true or false. But, the point is that there's no need to release your own announcement in the form of a Facebook status update. Don't take things personally, and commit yourself to having a bright future.

Sofia Vergara and Joe Manganiello Are Like High School Kids In Love

By [Jared](#)

Celebrity couple Sofia Vergara and Joe Manganiello have been all the rage since they started dating last summer. Both seem to be the latest sex symbols that men and women alike gawk over. Vergara continues to steal the spotlight in *Modern Family*, while Manganiello went shirtless nine out of ten times in *True Blood*. It would seem this celebrity romance is meant to be. But does their body language agree? I share my expert love advice about the newly-engaged pair below.

The Body Language of Celebrity Couple Sofia Vergara and Joe Manganiello

In the photo above, we see the happy couple hugging and cheek to cheek. Maybe it's their play on the classic song "Cheek to Cheek," written by Irving Berlin. It is also possible that these two are so in love that both just couldn't stand for any distance between them when taking such a heartfelt picture. I think Berlin sang it perfectly: "I seem to find the happiness I seek when we're out together, dancing cheek to cheek."

If you've read my expert love advice before, it's very likely you know the importance of mirroring. The non-verbal cue of mirroring is one of the tell-tale signs of attraction and interest. Mirroring is simple: Copying your partner's body language or imitating their actions and/or their tone and pitch. We do this to show we have things in common or to build a liking. We tend to like others that act like ourselves and even look like ourselves. Vergara and Manganiello are doing the same pose as one another, almost as if they were directed to do this by some high school prom photographer.

Hands are one of the most used tools in non-verbal body language. If we focus just on their hands, we can get an idea of how they feel at this given time. His hands lie flat and tight on her lower back or upper butt. This is an attraction point and lets others know you are interested in them. If someone put their hand there on you, how would you feel and react? Let's say the same person put their hand on you upper back near your shoulders. Do you get the same vibe, feeling, or sensation? I bet you don't. Additionally, flat hands are a sign of trust and commitment.

Now, let's look at her hand on him. She is touching his mid-back (just a tad on the lower side) with her palm and her fingertips. This is still a loving touch; her palm is flat on his back, reciprocating the same love and trust that he is showing to her.

A flat palm is not always what I see couples do. In other cases, you may see someone touch with just their fingertips. Touching with the fingertips is usually a non-verbal cue that adds distance and shows less affection.

What Their Smiles Say About This Celebrity Romance

Vergara's smile is one that shows 80 percent of her emotions. The actress is gleaming from ear to ear. Her eyes are wide in a natural way to show excitement. Her mouth shows true happiness, as her teeth are visible (mouth open). You can also see a dimple form at the end of her mouth, meaning that her cheek is in full "happy" mode and that a real smile has taken place. Her entire face is taking part in the action!

The actor's smile is a bit less obvious. He is happy but is mainly smiling from his eyes. He does show some dimples, which is a sign that he's truly content and showing a real smile as well. This is a genuine photo of them, and they are showing real love.

Finally, there is no space between these two. That's a good sign. People in love tend to stay very close to each other. When I analyze couples, this is one of the first things I look for: the space between the two. In this photo, there is zero space, so if you're wondering how they feel about each other, it is easy to see they love each other very much. No space means more love and attraction.

This celebrity romance is just as cute and cheesy as the photo, and to top it off, we can give them the name "SoJo" to put the cherry on top of the cheesecake.

How long should you date before getting engaged?

Sofia Vergara and Joe Manganiello Celebrate Thanksgiving Together

By

[Jessica DeRubbo](#)

Things seem to be getting serious for *Modern Family* star Sofia Vergara and *Magic Mike XXL* star Joe Manganiello! The pair celebrated Thanksgiving together and shared the pics to prove it on WhoSay over the weekend. According to UsMagazine.com, they spent the holiday with some members of Vergara's family, and Vergara's photo caption was, "Giving thanks for a beautiful year and my loved ones!! Happy thanksgiving!!!!"

How do you know when to start celebrating holidays with your significant other?

Cupid's Advice:

Taking the step to celebrate holidays you would traditionally spend with your family with your new partner is a big step. Cupid has some tips:

1. Assess the strength of your relationship: The last thing you want to do is celebrate a special day steeped in family tradition with someone who isn't going to be around very long. Make sure to assess your relationship, and make sure it's going to last ... at least for a while!
