Sofia Vergara Speaks Out

About New Boyfriend Joe Manganiello

By Laura Seaman

Actress Sofia Vergara recently spoke about her relationship with actor Joe Manganiello. The couple has been seen together a lot this summer, and they are adorable together. “You know, I’m just having a great time,” Vergara said in an interview. “It’s a special time in my life, and I’m trying not to think too much about it. It’s something very new, so we will see what happens.” The two were seen kissing during their vacation to Miami, where Manganiello also met the Vergara family. When asked if her mother approved, the actress replied, “What is there not to approve of?” A source told UsMagazine.com that the pair spends every night together, and that Manganiello

cooks for his girl on their night in.

What do you do if your family doesn't approve of your partner?

Cupid's Advice:

Maybe you're not as lucky as Sofia Vergara, whose mother approves of her new boyfriend. If your parents don't approve of your partner, it's going to add an awful lot of stress onto the relationship. But don't worry! There are ways to address the situation and try to make everyone happy. Just follow these simple tips from Cupid:

1. Ask your family why they don't approve. Who knows, maybe there's a good reason your family doesn't like your new love interest. They might bring up some red flags you'd never noticed before. Take what they say into consideration. They know you best, so their opinions should be important.

2. Tell them why your partner makes you happy. Maybe your family just doesn't understand your relationship, but if it makes you happy, they should be happy for you. Explain to them what you like about your partner and why this relationship has been good for you. They might just need to have it explained to them in a way they can understand.

Celebrity Couple Predictions: Sofia Vergara, Charlize Theron and Zac Efron

By [Shoshi](#)

For today's celebrity couple predictions, we're looking at one pair that caused speculation as merely a rebound, one that sparked initial doubt from the public but may turn out to

be the real thing, and one that's still in the first stages but looks promising.

Sofia Vergara and Joe Manganiello: When Sofia Vergara was first spotted getting up close and personal with *True Blood* star Joe Manganiello, they were declared the hottest couple in Hollywood. Within minutes, Kimye got dethroned as the "It" couple and became yesterday's news.

These two actors make an interesting match. On paper, they're a ten – with their looks, money, charm, and success. However, their relationship doesn't look like it has lasting power. As a matter of fact, it looks more like a publicity move. This isn't to say that Vergara and Manganiello don't enjoy each other's company, but it benefits both of them to be seen together.

Vergara is not about to get serious with anyone. She is still getting over her relationship with her shady ex-fiancé. You know the saying: The best way to get over a man is to get under another one! Manganiello is the best kind of rebound guy – totally hot and a lot of fun.

For now, this couple is just enjoying some time together and making headlines. Don't expect a wedding invitation from them anytime soon though.

Charlize Theron and Sean Penn: Could it be that bad boy Sean Penn has actually been calmed down by love? Throughout the years, the actor has made headlines for his turbulent relationships with Madonna and Robin Wright Penn. While he was married to Wright Penn for fourteen years, they separated numerous times, which eventually ended in divorce.

The first few times that Penn was spotted with Theron, it was

hard to believe since she normally dates the clean cut type. Plus, she's a single mother, so what would she be doing with him? The media then assumed it would be a short-lived fling, but now, it looks like this couple is headed down the alter.

For the first time in years, Penn actually looks happy. He is smiling in pictures all of the time, something that was rarely seen before. There are even adorable photos of him with Theron's adopted son, Jackson.

It looks like the marriage rumors could be very valid. However, if they do wed, it will be an intimate ceremony in the fall. There will not be any big announcements, just the two of them with friends and family.

Related Link: [Are Charlize Theron and Sean Penn Engaged?](#)

Zac Efron and Michelle Rodriguez: The first time the cameras caught Zac Efron and Michelle Rodriguez all over each other, they were making out on a yacht. The last known relationship that Rodriguez had was with model Cara Delevingne. At this point, there has not been a statement that Efron and Rodriguez are officially dating; however, the hot photos of them keep coming.

When I look at what is going on between this duo, their attraction to each other is mutual respect and support. While the media keeps saying that it may be a bad idea for them to be together, she may be just the thing that the actor needs. If anyone can understand his drug addiction, it's Rodriguez, who has had issues with drugs herself.

For now, this relationship will stay low-profile, as it's one that Efron is not ready to share with the world. With Rodriguez, he gets to be exactly who he is without any pressure, which is exactly what he wants right now.

joined Nick and Lena at the Staples Center for Lady Gaga's concert. "Sofia and Joe were completely making out at the table, very touchy-feely the whole time," says the eyewitness. What are three fun activities for double dates?

Cupid's Advice:

What comes to mind when you think of double dates? Probably endless stories from when you tried it as a teenager, and maybe even a few adult ones. Although single dates can be intimate and romantic, there's nothing wrong with switching it up every now and again. Invite your mutual friends out for a little double date fun! Cupid has some activity ideas to consider when you want to add some company in the mix:

1. Amusement park: Rollercoasters, funnel cakes, cotton candy, games & attractions . . . the list goes on and on. You are destined to have a good time while at an amusement park. Plus, this is the perfect chance to channel your inner child. A group of friends screaming at the top of their lungs on a ride that overlooks the city. Sounds like nothing short of a good time!

2. Concert: Have a favorite artist in common with your coupled friends? Purchase tickets for the artist's album that may be coming to town. If it is outdoors, grab a blanket, some food/drinks, and call it a picnic at a concert!

3. Random activity: Find a class that may be going on for the day, such as a dance or art session, and sign you all up for it. The date will revolve more so around the participation, and less around the conversation. Maybe even make it a challenge for each couple (the losing pair owes the winners dinner?).

Sarah Hyland Says Sofia Vergara and Joe Manganiello Would Make 'Hot Babies'

'Modern Family' star Sofia Vergara is in all of the latest headlines for her new, sizzling relationship with Joe Manganiello. Her costar, Sarah Hyland, plays her niece Haley on the show, and she recently opened up to UsMagazine.com about Vergara's relationship. Hyland said Vergara and Manganiello looked really hot together. How do you know if steamy attraction is blinding your good judgment?

Cupid's Advice:

When a woman is asked to describe their perfect man the words "handsome" or "attractive" are usually some of the first words to come to mind. Looks are a vital point in chemistry between two people, but they aren't everything. When in a relationship with an extremely attractive partner, be sure to not let his steamy appearance cloud your judgement. Ask yourself these three questions to ensure you aren't allowing your vision to

be skewed.

1. What else do you like about him? If your first thoughts on your man jump to the way his abs are chiseled, you may have to take a step back and get ahold of yourself. Yes, we all love a good washboard but what about your man's heart? If it isn't in the right place this relationship may just remain stagnant until one or both of you find someone to move forward with.

2. Do you let him get away with more than you should? Say you're out on a date and as you're ordering your chicken marsala he starts talking up your waitress. Normally this isn't okay by any standard. You're starving but he can't help it, right? It's not his fault that he's so attractive. So you let him get away with it. This is an example of thinking with organs other than your brain, it's not just men who do it. Be sure to keep yourself from letting him walk all over you, or lead you to want to walk away.

3. You find your insecurities becoming more present: When you're dating an extremely attractive person, it's normal to feel insecure. In relationships, couples become hyper-aware of interactions between their mate and the opposite sex. You may fear that he will cross the line but remember that he chose you to be with. You're just as much of a goddess as he appears to be a god to you. Simmer down and cage the jealous green monster.

How do you know when you're ready to move on to a new relationship and love?

Cupid's Advice:

Break-ups can end in many different ways. Some splits are mutual and leave both parties feeling more liberated and happy, like Vergara's break-up from Loeb. Others are messy and leave one or more parties hating love and stuffing their faces with food. Well, no matter which break-up you went through, consider this dating advice to know when you've truly moved on from your ex:

1. You have no problem deleting their number: If you're truly over your ex, you know that there's no chance of them randomly texting or calling and begging to get back together, so you should be fine with deleting their number. It's better to do this so that you don't “accidentally” text them one night.

2. You're not jealous if they're with other people: They're single now, and they should be able to see other people without worrying how you feel. If you're really over them, you shouldn't feel anything more than maybe a short pang of hurt before forgetting about it. Besides, you're single too! Just like Vergara, you can start dating other people when you feel you're ready.

3. You aren't angry about the relationship ending: If your ex

was the one to end things, you were probably angry at them for a little while. However, if you're really over them, you shouldn't be angry anymore. After all, it was probably for the better, and you should know that if you're over them.

Celebrity News: 10 Hot Latin Celebrities

By Jennifer Harrington

It's no secret that the influence of Latino celebrities is growing every day (Latino celebrities have 600 million followers on Facebook and Twitter!). And with a new South American pope in office, Cinco de Mayo quickly approaching, and frequent news coverage of the growing Latino population in the United States, we figured it was a good time to look at the hottest Latino/Latina celebrities. Here's Cupid's opinion of who is sizzling!

Jennifer Lopez

Jennifer was born in New York City to Puerto Rican parents, and she's been a staple in the entertainment world for years – as a dancer, actress, entrepreneur, fashion designer, singer, and *American Idol* judge. When J-Lo joined *American Idol* as a judge, it was seen as an important move because the show is very popular with Hispanic audiences, and she brought a kinder, more positive attitude to the show. While she's moved on from the popular show, there's no question she will continue to remain a staple in pop culture.

Alex Rodriguez

Like Jennifer Lopez, Alex was born in New York City. He was raised in a Dominican family and currently plays baseball for his hometown team, the New York Yankees (although he grew up a Mets fan!). In addition to making plays on the baseball diamond, Alex has also been linked romantically to several major celebrities, including Kate Hudson, Cameron Diaz, and Madonna.

Eva Longoria

Eva is a Mexican-American, and best known for her roles on *The Young and the Restless* and *Desperate Housewives*. Her role as

the saucy Gabrielle Solis on *Desperate Housewives* may have ended when the series wrapped last year, but Eva remains in the spotlight. Most notably, she was actively involved in President Barack Obama's re-election campaign in 2012, and she even spoke at the Democratic National Convention!

Mario Lopez

Mario is a close friend of Eva's, and like Eva, he is of Mexican descent. Mario is best known for his role as A.C. Slater on *Saved by the Bell*, and in recent years, he's remained in the limelight with an appearance on *Dancing with the Stars* and as host of the daily entertainment program, *Extra*. Recently, it was announced that Mario's family with dancer Courtney Mazza is expanding; the couple is expecting their second child in the fall.

Sofia Vergara

Sofia is a Colombian-born actress, television hostess, and model – and if you watch television, it's hard to miss her. A star of ABC's hit TV show *Modern Family*, Sofia is also featured in advertisements for Diet Pepsi and Cover Girl cosmetics. Sofia has also made a splash within the Latino community because many wonder if she takes the Latino stereotype too far with her portrayal of loud and boisterous Gloria on *Modern Family* and remarks she made in a 2012 interview with *Esquire* magazine about common Latino stereotypes.

Enrique Iglesias

Enrique was born in Spain, and his father was a well-known singer and entertainer. Enrique established himself as a singer in the late 1990s with songs such as "Bailamos" and "Hero". He has performed at the Super Bowl, and has been dating tennis star Anna Kournikova for the past decade. Enrique is extremely private about his relationship with Anna, and has even remarked that marriage is not a priority for the

couple as long as they are happy and committed to each other.

Penelope Cruz

Penelope was born in Spain, and is well-known worldwide for her work as an actress. She first burst on the scene with films such as *Blow* and *Vanilla Sky* (this movie also sparked her three-year romance with co-star Tom Cruise; the couple allegedly broke up because she refused to embrace his Scientology beliefs). She's now married to Spanish actor Javier Bardem, and she is expecting the couple's second child later this year.

Antonio Banderas

Antonio is also Spanish. He was in several high-profile movies in the 1990s, including *Evita*, *Interview with the Vampire*, *Philadelphia*, and *The Mask of Zorro*. He is married to fellow celebrity Melanie Griffith. Today, Antonio does voice work for movies such as *Shrek* and focuses on parenting his daughter, Stella. He's spoken out about the importance he places on fatherhood by saying that he takes Stella out on "daddy-daughter" date nights once a week.

Shakira

Shakira is a Colombian singer-songwriter. She crossed over into the English market in 2001 (a native Spanish speaker, she's fluent in English and Portuguese, and can speak some Italian, French, and Catalan) with hits like "Whatever, Whenever" and "Hips Don't Lie". Shakira is featured on this season's installment of *The Voice* and recently welcomed her first child (son Milan) with her boyfriend, a Spanish football player.

Salma Hayek

Like Eva and Mario, Salma is Mexican-American. She's known for her roles in films like *Desperado*, *Dogma*, and *Frida* and the

television show *Ugly Betty*. She is married to French billionaire François-Henri Pinault, and the couple has a young daughter. Her charitable work over the years has increased, and she focuses her efforts on raising awareness of violence against women and discrimination against immigrants.

Modern Family's Sofia Vergara and Beau Step Out Post-Accident

Modern Family's Sofia Vergara and her boyfriend, Nick Loeb, were seen out together last night. [RadarOnline](#) reports that this is the first time since his terrifying car accident that the couple has been seen in public. The two were spotted leaving Madeo restaurant in Beverly Hills. He suffered from a broken leg, pelvis and a deep cut to the chest. A former Florida politician, he was by himself when the accident occurred. Vergara and Loeb began dating earlier this year. **What can a near-death experience teach you about your relationship?**

Cupid's Advice:

If you ever needed a reason to be thankful for the one you love, a near-death experience is just that. Nothing's worse than realizing that your loved one may not be with you the next day. These experiences are scary indeed, but they also leave you a little humbled:

1. Forever yours: Sometimes a near-death experience makes you put your life into perspective. Suddenly the issues that were plaguing you yesterday don't mean anything today. People tend to take that time to reflect on what and *who* means the most to them. They also learn to let the little things in their relationships go, because they're simply not important.

2. Cutting to the chase: Your loved one almost dying is a life wake-up call. If you're dating somebody, the experience may help you realize that he/she is the love of your life. On the other hand, it might also teach you that you deserve someone better. Now that you realize how your life can change in an instant, don't you want to change it for the better?

3. Getting closer: Once the general shock of a scary experience wears off, a couple's bond can become stronger. If one person needs some extra help during his/her recovery, the added one-on-one time with your partner will show him how much you care. Playing nurse for your beau will show him how much you care.

Sofia Vergara Misses Hospitalized Boyfriend at Emmys

After an exciting night at the Emmys, *Modern Family* star Sofia Vergara had every reason to celebrate. Her show won three awards including Outstanding Comedy Series, and her family flew all the way from Colombia to be with her on her special night. But for Vergara, the night was incomplete without her leading man, Nick Loeb, a businessman and former Florida Senate candidate. [Access Hollywood](#) reports that Loeb has been hospitalized since last week after he was involved in a serious car accident. “He’s not going to be good to go for a long time, but I miss him,” said Vergara. **What should you do if your partner is sick?**

Cupid’s Advice:

While it can be scary when a partner gets sick or injured, it is also the perfect opportunity to show him how much he means to you. Cupid has some ideas on what to do if your partner is sick:

- 1. Help him heal:** When a partner gets sick, whether it’s a cold or something more serious, it can help you realize how important he is to you. Show him how much you care by taking

steps to help him get better. Stop by the pharmacy, make him soup, and drive him to the doctor's office. Helping him through a tough time will make your bond even stronger.

2. It's the thought that counts: It's easy to feel helpless when a partner is sick, especially when you've already done everything you can to ease his suffering. Do something thoughtful for him, even if it doesn't help even if it doesn't technically stop a runny nose or soothe a sore throat. Try watching his favorite movie with him (even if you hate it) to make him feel better.

3. You're not alone: If your partner has a serious illness or injury, let other people help. Friends and family can take lessen your burden by helping to care for your mate and by giving you much-needed emotional support.
