By [Stephanie Sacco](#)

According to [EOnline.com](#), the [celebrity couple](#) went on a Mexican vacation with a few friends, as well as more recently, a dinner date at Palms Thai restaurant in Hollywood. # These celebrity exes have reunited after breaking up four years ago! What are some factors to consider before reuniting with your ex?

## Cupid's Advice:

Exes can be permanent or they can be on and off. Sometimes you get back together and it works out for the best. Cupid is here to help:

**1. Growth:** Only consider getting back together with an ex if there's growth in the relationship. If you both have grown up and found that you were immature or too young and think it's a good time now to try again, by all means. Four years is a long time to have grown and to be a new person.

**2. Change:** If there were specific problems that kept you two apart and your ex is willing to change his behavior to get back together, then it's worth the consideration. Don't immediately let him back into your life, but ease your way into it. You don't have to get back together right away.

**1. You're friends:** If the break-up is amicable and you think you can stay civil, call it friendship. Perhaps you were friends first and it's easy to fall back into old patterns. The break-up was a set back, but it didn't ruin everything between you two.

**1. Family dinner:** Invite your partner over for a nice dinner or even a casual lunch just to ease them into your family. Your parents might question if he's more than a friend instead of being completely blindsided. The meal will give you something else to focus on so the attention isn't completely on your date.

Location is a huge decision when it comes to a wedding. There are a lot of factors to discuss and many venues to check out. Cupid is here to help:
