Some things are better left to the imagination and not said! It's important to never over share, but it's also a good thing to be able to share details with your family and friends. The key is to find a nice balance. Cupid has some tips below on how to determine what to keep private and what to share when it comes to dating:

1. Kiss and don't tell: Sometimes it's good to kiss and not tell. Nobody needs to know all of the details of your private and personal life. Only share when things are serious. As far as your bestfriends go – feel free to tell them anything and everything. It's what they are there for!
