Being in a committed relationship is not a single gender jail, where your partner is the bodyguard. The relationship expert offers everyone a reality check: Friends often last longer than new lovers. Your BFF's have been there through the good times and the bad. So don't disengage with your friends when you're spoken for and decide to go back when you're single. You'll most likely lose a lot of friends that way.

House also reveals that you *can* be friends with people of the opposite sex! Her dating advice?
