## **It’s hard to feel bad after learning this piece of celebrity news. What are some ways to care for an emotional partner?**

### **Cupid’s Advice:**

People need emotional support in different ways so there is no perfect formula to happiness for everyone. However, the pure thought and attempt of cheering up your loved one is what counts. Cupid has three pieces of love advice to get your partner out of a slump:

**1. Silently cuddling:** Touching someone can be very therapeutic in ways that we don’t even think about. Cuddling releases oxytocin which increases overall happiness. Not only that, but it also reduces stress and blood pressure.

**2. Buy a small, thoughtful gift:** Don’t overwhelm them with a new plasma T.V., but rather buy something to show you were thinking about them. Flowers, candy, or a stuffed animal are great options to prove you appreciate and love them. Try to make it specialized to their interests to really spark the romance.

**3. Listen to them:** Be the person that they can tell anything

to, from their most frustrating problems to their deepest secrets. Make sure you also pay attention to what they want from you. If they want space you should give it to them. Listen to their concerns and try to act on them.
