Cupid's Advice:

Supporting your partner's hobbies is a wonderful thing to do, whether you're a celebrity couple or not. Cupid has some dating advice to put you on the right track in supporting your partner:

1. Be like Ohanian and try your partner's hobby: Ohanian hasn't had an interest in tennis until he recently started seeing his new girlfriend, Serena Williams. Since tennis is clearly one of Williams' passions in life, Ohanian has decided to try out the sport himself. You can also take up a hobby of your partner's to get a feel for something they're passionate about.

2. Be there for your partner: If your partner plays a sport, show up to the game and cheer them on. If he or she needs a ride to a class, drive them. If they don't need either of those, just let them know that you support what they're doing, that you're there for anything they need, and you're cheering them on.
