How do you know when to go public with your relationship?

Cupid's Advice:

- 1. You feel comfortable:** A relationship is about you and the other person. Don't worry about everyone else, and let them know when the both of you are ready:
- 2. You think it's going to last:** The older we get, the more serious our relationships tend to be. There's no sense in alerting the masses if you think it's just a fling.
- 3. You're starting to deny:** Once people are starting to figure things out, you're just wasting your energy hiding something that is going to come out sooner or later.
