After filing for divorce and her soon-to-be celebrity ex husband blasting her on Twitter, Halle Berry held her head high out on the red carpet. You go, girl!

Celebrity divorce isn't keeping this woman down. How do you cope enough to move on with your life right after a divorce?

Cupid's Advice:

A celebrity divorce is just as tough to deal with as a regular divorce. What's important is how you cope. Cupid has some relationship advice on how to help you cope enough to move on after your divorce:

1. Be positive: Think of the good things and people you have in your life and express gratitude for them. While one relationship is over that doesn't mean everything else is falling apart.

2. Remember that your relationship doesn't define you: You and your partner may have been together for awhile and were an item to many, but your partner and your relationship with them doesn't define who you are as a person. You are you, which is separate from your partner.

3. Don't fuel the fire: So far Berry hasn't fuelled the fire by responding to her ex's tweets or saying nasty things about him. Follow Berry's example and just keep yourself out of it – you'll feel better (and look better) in the long run.
