Your life can get really hectic and you may have a lot of things to do. It can get hard sometimes when you are balancing all of these things and a relationship. Cupid has some advice on how to balance it all out:

**1. Plan ahead:** Make plans to have date nights. If you really are committed to each other then you will make time for these kinds of nights. It could be a night in where you watch movies on the couch or a night out on the town. But whatever it is, plan ahead and make sure you have an actual date set so neither of you can flake.

**2. Communicate:** If you aren't able to make time for each other one week, let each other know. It is ok if you are too busy to go out or stay in, just let your partner know. Communication is key and they will understand if you let them know what is going on.
