## Celebrity News: Chris Hemsworth Says His Kids Taught Him What Love Is

By Kyanah Murphy

They say that kids are the greatest joy in life. What they don't tell you, however, is that kids are *hard work*. In latest <u>celebrity news</u>, Chris Hemsworth shares with <u>UsMagazine.com</u> that kids require endless patience and will teach you every emotion on the spectrum. Hemsworth shared that having one <u>celebrity baby</u> is like having three more. Yikes! Learning what love is, <u>celebrity couple</u> Hemsworth and Elsa Pataky made the executive decision to live in Byron Bay, Australia rather than Los Angeles to keep his family out of the spotlight. His reason being: people recognize you and say, "Heyc cool!" and then move on with their lives.

## This celebrity news is super sweet! What are some ways your kids can strengthen your relationship?

Cupid's Advice:

Kids can be a wonderful gift, but it doesn't come without hardship. Here are some ways kids can strengthen your relationship:

1. They teach you patience: This is a transferable skill. In learning to be patient with your kids, you also learn how to be patient with your partner and even with other people (which is necessary in today's world).

3. They help you bond: You made a baby with someone you deeply love — your partner. You've created something together. It's the ultimate bonding experience. And because the baby is yours, you will most likely have a deep bond with them, as well. This can help you learn how to bond with others, too.

Have a child? How has that helped with your relationship(s)? Comment below!
