Cupid's Advice:

Having a baby is super exciting, especially when you and your significant other are celebrating this time together. But it may be difficult if the pregnant partner is not getting enough support. Cupid has some advice on how to support your pregnant partner:

1. Fulfill their needs: If your pregnant partner wants a box of chocolate, then you go get them a box of chocolate. Cravings can be high during this time and you want to make sure they are very happy and get what they need.

2. Spend time with them: Don't leave them all alone. They want to share the special moments with you. If the baby kicks, they want you to be the first one there to feel that with them. So make sure you leave all your free time for your partner and new baby.

3. Do pre-baby things: Go shopping with your partner. Don't let them do all the baby shopping and baby fun alone. You are a team now and will be taking care of this baby together, so you might as well start early.
