Blake Shelton and Gwen Stefani

Blake Shelton and Gwen Stefani: When it was announced that Gwen Stefani and Gavin Rosedale were getting a celebrity divorce, it wasn't a big surprise. Throughout their marriage, there were cheating rumors on Rosedale's end – and where there's smoke, there tends to be fire. Good for Stefani for doing what she needed to do to get out of their marriage and get on with her life. Besides, she's as hot as ever; she will land another lover...which brings us to her new romance with Blake Shelton.

If ever someone needed to have fun after ending a marriage, it's the pop star. Looks like Shelton is the right partner in crime! I don't see this relationship and love as a long-lasting one though. It's simply two people coming together to heal as they put their marriages behind them. After Shelton, Stefani will move on to a new guy who is a little younger and wants to settle down.

Serena Williams and Alexis Ohanian: It seems like any man that the tennis star speaks to for more than five minutes gets the title of "boyfriend." Currently, that man is Alexis Ohanian, the co-founder of Reddit. Rumor has it that they were seen holding hands after one of her workouts. However, I have to ask: Is there even one photo of this celebrity couple together? It'd be nice to have a little proof that they have been in the same room at the same time! Unfortunately, Williams tends to keep her personal life to herself, so it may a while before we get the true scoop on this pair.

This relationship looks like a casual one, though it could very easily turn out to be the real deal. They're both at the top of their field; they both have their own money; and they're both good-looking. It's a grand slam.

Shoshi's Prediction for Celebrity Exes Nicole Scherzinger and Lewis Hamilton

Nicole Scherzinger and Lewis Hamilton: These two make one hot famous couple. When they walk a red carpet, people have to fan themselves. That being said, it's not all hearts and flowers between them. They have broken up and gotten back together so many times that they probably don't know which date to use as their anniversary.

Besides their six-year age difference, there seems to be a lot of physical distance. Scherzinger lives in Los Angeles, while Hamilton lives in Monaco. It's being said that the distance is causing a strain on the relationship and love. Plus, there's the fact that Hamilton won't marry Scherzinger. Put all of that together, and it screams *hot mess*.

One of them is going to have to put an end to all of the celebrity break-ups and make-ups. From what I see, it will have to be Scherzinger. It looks like they want different things from their relationship. If no one is willing to move to make this relationship work, it doesn't stand a chance.
