This celebrity news tickles our funny bones! What are some ways to know if your crush is currently involved with someone else?

Cupid's Advice:

There's nothing worse than having a crush on someone who is already otherwise involved with someone else. Cupid has some tell tale signs your crush isn't up for grabs:

1. He's standoffish: Obviously being standoffish can mean more than one thing, but if you know he's a friendly guy and he shies away a little when you try to flirt with him, that's a red flag. At that point, you should probably ask around to those close to him to see if he's got a significant other or at least a love interest already.

2. He's non-committal: If you keep casually suggesting a hang out session with your crush and he keeps coming up with lame excuses, it's definitely time to consider the circumstances. He might not be able to hang out because he already has a girlfriend! It's time to do some digging.

3. He's treating you like one of the guys: If your crush is asking you to play a pick-up game of basketball with a group

of guys, or asking you to have lunch with a big group of friends, it's time to start thinking about why he's not asking you to spend quality time with him alone. Chances are, he's otherwise involved.
