If you're single and looking for your next relationship and love, then you know how hard it can be to approach a man without appearing desperate. Desperation is about neediness

and we all know that isn't attractive. Check out the expert dating advice tips below on how to approach a man.

1. Give value. Dating experts reveal that you need to have the mindset that you need to give the guy something. The first step to approaching a man is to bring something to the table, like being funny or having something interesting to say.
