The former first daughter and her husband were also recently seen having dinner in New York where they seemed very much in love.

What are ways to combat break-up rumors?

Cupid's Advice:

The only thing worse than break-up rumors is an actual break-

up. When it comes to these ridiculous untruths, either fight them head on or ignore them all together:

1. Seeing is believing: When rumors strike, go out in public as couple to show everyone just how happy you really are.

2. Give them the cold shoulder: Ignoring the rumors completely is always a solid option. As long as you know the truth, that's all that matters.

3. Make a statement: If this is something you decide to be vocal about, make it short and sweet.
