Cupid’s Advice:

Anniversaries are the perfect time to show your significant other how much they mean to you. It’s important to make your partner feel special on your anniversary, but more importantly, to show them they are special every day. Cupid has some tips on how to make your partner feel special on your anniversary:

1. Take a second honeymoon: Everybody needs a vacation from time to time. Why not take the occasion of an anniversary as an opportunity to take a nice trip? Spend time together, relax, enjoy yourselves and relive the 'honeymoon phase' of a relationship.

2. Share the sentiments: It truly is the thought that counts when it comes to gift giving. Give your partner something that has sentimental value to show how they are special to you still. If you have a song as a couple, dance with them to it. Write them a poem or give them something that is an inside joke between the two of you. Just do something that shows you remember your time together and that you still cherish them!

3. Reconfirm your commitment: Nothing makes your partner feel more special than being reassured that you are still committed to them. Write them a letter, telling them you are still loyal, faithful and devoted to them. Reminisce on the time you have spent together. Frame your favorite photo from your wedding and give it to them. It shows how far you have come and how strong your relationship really is!
