Reality TV star Brittany Fogarty Talks About The Final Season and Dishes On Her Relationship and Love Life In This Celebrity Interview

Welcome to the show! How has it been being the newest member on *Mob Wives*?

It's definitely been a fun experience but also very dramatic.

Is there anything you want people to know about you before they see any of the show?

The show focuses in on a lot of the conflict and aggression. I think people should know that there is a lot more to most of us than just hostility and arguments.

Not only are you the newest member, but the youngest. Do you think this has changed the way the other ladies have treated you? For better or worse?

Absolutely. I think many of the women see my age as a threat and it's hard for them to accept the fact that someone so much younger like myself can stand my ground, form my own opinions and outwit them.

What was the hardest part about joining the show?

The hardest part for me was learning how to publicly open up about my family and personal life. I'm a pretty private person

so that was a big change for me.

We know you love Drita. What do you think about her calling Karen out publicly on social media recently?

From what I see from Drita, she never really does that kind of thing on social media. So in my opinion, Drita must have been fed up with all the constant rumors and verbal attacks on her family.

What made you so close to Drita?

I just genuinely liked her off the bat. I felt she was different from all of the other women on the show in that she is the most down to earth. She never had a superior, controlling, or judgmental attitude with me unlike many of the other women.

Why did you decide to join the cast this season? Is there anything in particular that you hope to gain by doing the show?

I joined the cast because I saw it as an exciting opportunity and as a great platform. I also thought the show could use more people who don't idolize "the lifestyle."

Did becoming a part of the *Mob Wives* cast bring up emotions from your past?

Absolutely. Mostly emotions about my relationship with my father and what we've had to go through because of the life he chose.

Has your relationship and love life changed now that you are a reality TV star?

I'm a lot busier and I am focusing on myself and my career

right now.

What would be an ideal date night for any eligible bachelors that are reading this?

I love food and being outside, so a relaxing outdoor dinner with some good conversation is always a safe bet with me. And being by a beach is even better.

What can we expect from you once this season is over?

I love fashion, so of course I'm going to continue modeling but I will be working towards moving into the design world of fashion. I'm always working on growing my jewelry business but I would like to start expanding. Designing my own collections of clothing is definitely in my plans.
