Here are Bradford's three best pieces of expert [dating advice](#) to help you be a smarter dater:

1. Be observant: “I’m a strong believer in watching what people do versus what they say,” the dating expert reveals. If he says he’s going to call you at a certain time but never does, that’s something important for you to note. Always keep his actions in mind.

2. Be aware of who you’re dating: If you already see some not-so-great sides of your partner, it may be time to move on.
