Insecurities can be difficult to talk about and very hard to get rid of. Cupid has some advice on how to reassure your partner in the face of insecurities and how to make them feel better:

1. Talk to them: When they come to you with these problems, don't just shrug them off. Hear them out and know that you are there to listen to them. Then, let them know that they shouldn't be insecure because you care about them and wouldn't change anything about them.
