Lagree has had a host of celebrity clients, ranging from Kim Kardashian to Sofia Vergara to the First Lady herself, Michelle Obama. “I have enjoyed working with all my celebrities,” Lagree says. “Some were more personable than others. For example, Sofia Vergara is very cool and she is very funny.” Luckily, the celebrity trainer hasn’t had to deal with any divas! “That would be the worst!” he says.

Celebrity Interview: Famous Couple Talks Relationships and Love

It only took this famous couple five weeks from the moment they met to say “I do” and take on the world as Mr. and Mrs. Lagree. Other developments bearing the Lagree name took a bit more time to come into fruition, but once Lagree crafted the Lagree Fitness Method, a snowball of new innovations soon followed. Lagree’s Supraformer released last month, joins the ranks of the Proformer and Megaformer in the lineup that breeds physical, emotional, spiritual, sexual, mental and tactile awareness, according to Lagree. Entering 2016 it is the same Lagree, bigger plans. Lagree will even be opening his first fitness studio in Los Angeles, California this year as well, with wife Danielle heading the studio operations.

After duty calls, “Call of Duty” it is. In our celebrity interview, Danielle reveals that marriage always comes first in her book. The married couple always tries to fit in a game of “Call of Duty” after a busy day working. Dinner dates, movies, hiking, traveling and spa days are activities the couple enjoys as well. But when stress relief is on the agenda, the couple dives down deep into the depths of the ocean with creatures that may frighten some. The couple that shark dives together stays together, right? Well, that may not be the only factor that contributes to a healthy relationship and love. Lagree says he and his wife communicate and help each other out a lot.

But for Danielle, the separation of home and work is key. “We both love the work we do,” Danielle says. “Working with your husband is quite different than the husband at home at night.

When we get home we try not to talk about anything work related.” Lagree acknowledged that the beginning of relationships are especially difficult because all you want to do is spend time with your significant other. “Hopefully, your partner has the same goals and will want to spend their time the same way you do,” Lagree says.

Perhaps fitness can be an area of common interest! “I think that if both partners like to workout, it makes it a lot easier to stay fit and healthy,” Lagree says. “We have a lot of couples coming to the studio and workout together which I think is awesome.” In fact, Lagree has created fitness routines suited for both men and women with the interest of couples in mind. “Getting or staying fit and healthy can be enjoyed together and one does not have to choose between the two,” he added.

The couple has a lot to look forward to in the year ahead including Lagree’s autobiography, a documentary, the new workout and the studio. Amidst all of the craziness Danielle says, “You always need to find time to spend with the one you love.” Diving with the sharks or staying dry for a nice walk along the sand, it may not matter so much what you do, but who you are doing it with.
