**This celebrity divorce is official.
What are some ways to determine**

whether divorce is the answer?

Cupid's Advice:

It can be hard to hold on, but sometimes even more difficult to let go of the life you built with someone. You shouldn't always assume the grass is greener. Cupid is here to share some ways with you:

1. Go back to what brought you together: Travel to that place in time of when and how you first fell in love. Try to resurrect that special spark in your relationship and see if the feelings are still there.

2. Don't harbor anger: Constant fighting isn't going to improve the situation. Look below the surface to understand what the root of the problem is and if it can be fixed.
