Whether you feel like your partner is about to say they love you or if you just think they might, there are signs to tell if they really love you and are going to stand the test of time. Cupid has some dating advice on the four signs to look for:

1. He's spending tons of time with you: A sure sign that he's going to confess his love for you is if he's spending a ton of time with you. Guys don't eagerly spend time with people who they don't have strong feelings for. It's for sure a sign if he's busy, but still makes time for you. If he's the one initiating the get together, you know he cares and is on his way to saying those three words that mean the world!

2. He displays sweet gestures: When your partner is making a lot of effort and is giving you random acts of kindness, you know that they care and are a keeper. When they cherish you, they make sure to display sweet gestures for you. It's a definite sign that he likes you and is going to say "I love you" soon. Why would they put in effort if they didn't care? When they go out of their way to do something, it's because they genuinely care.

3. He can't keep his hands to himself: Take a cue from Selena Gomez's hit song. When your partner wants to always show affection, hold your hand, run their fingers through your hair, kiss you and hug you, it's a sign that they're most definitely falling for you.

4. He remembers everything: When people remember things you have said or done in the past, it's because you know they truly care. People don't remember things that don't matter to them. If your partner remembers dates, like the firsts of the relationship, it's because they do care deeply for you.
