It's really important to bond with your partner's kid(s) if you want to have a successful relationship. Cupid has some tips:

1. Know your place: Becoming a step parent in a child's life can sometimes be very difficult because they feel like you are trying to be the parent they already have. So, when trying to bond with your partner's kid, feel it out and don't make try to act as their parent until they feel comfortable with it.
