Once your relationship turns serious, it's important to keep your family involved so that they can share in your happiness.

Cupid has a few tips:

- 1. Invite them to events:** Take a cue from Candice Crawford and Tony Romo and invite your family along to parties and other fun happenings. Even if you just invite them over to your home for dinner, the more exposure they have to your relationship, the better.
- 2. Ask for advice:** Make sure your family members know that you value their opinions. Get their advice and recommendations about where to go on dates or gifts you plan on buying for your partner.
- 3. Update them:** It may seem simple, but keeping them abreast of any goings on in your relationship will keep your family involved. The fact that you aren't hiding the relationship or keeping secrets will do nothing but help you.
