This famous celebrity couple isn't one to shy away from the limelight. What are some ways to support your partner in the face of drama?

Cupid's Advice:

It's not just celebrity couples that have to support one another through the good and bad; drama and hard times occur for every relationship. Below, Cupid shares three pieces of relationship advice to help you support your partner:

1. Show appreciation: No matter the scenario, your significant other needs to see that you appreciate them. Cook them dinner, plan a special date night, or leave a love note for them to read – anything that will lift their spirits through the hard times. Not only will they feel appreciated by your efforts, but *you* will feel great too!

2. Don't criticize: Everyone makes mistakes throughout life. The last thing your honey needs is criticism about the situation they are experiencing. Even if they took a wrong path, be encouraging and find useful ways to assist them in rectifying things so that you both can move on to brighter days.

3. Just listen: A lot of times, it helps to have someone who is willing to hear your problems. Before you go into “fix it mode,” try to listen to your partner. After all, an important part of being in a healthy relationship is communication. Allow your partner to vent to you about their struggles. Your bond will be strengthened because you were able to be the support they needed.
