Cupid's Advice:

Trust issues can cause a major crack in even the healthiest relationships. Cupid is here to provide [relationship advice](#) for the tough times:

1. Open book: No one likes to constantly worry that their significant other is up to something. To work on fixing the trust, be sure to maintain transparency. Share passwords, text feeds, or conversations that could seem questionable. Check in with one another on a regular basis. If you ensure that each person is on the same page about everything, there shouldn't be any confusion.
