According to [UsMagazine.com](#), the pair shared a steamy kiss at the ACM Awards. They posted the pictures on Instagram to show off their love.

This celebrity couple is still going strong in the passion department! What are some ways to keep the passion in your relationship?

Cupid's Advice:

It's easy to get bored of your significant other, but don't let a lack of affection ruin your relationship. Cupid has some [relationship advice](#) to help keep the romance alive:

1. Show a little PDA: Couples that *constantly* show off their affection in public can become nauseating to hang around, but little displays of love are cute and can make you feel appreciated. With little kisses here and there, you're sure to enhance the passion in your relationship.

2. Hold hands: Holding your partner's hand is a simple and easy way to show affection. While walking through the grocery store, or even in the car, take their hand to show you care about them and still adore their time. Little acts like this will keep you two appreciating each other's company and touch.

3. Remember what attracted you: The beginning of relationships tend to have the most passion, but don't let this deter you from keeping the passion strong later on! If things start to slow down, think back to the beginning of your relationship when everything felt new. Think about what attracted you to your partner in the first place. Chances are, you still have those butterflies deep down. Bring them back up and enhance

the passion!
