Cupid's Advice:

Everyone loves a good vacation, and taking time off with your sweetheart makes the occasion extra special. Cupid can provide you some tips on how to feel closer with that special person in your life during your trip:

1. Plan activities: Depending on where you go for vacation, you should plan activities accordingly. Go sightseeing, visit local restaurants and go out of your comfort zone by trying new things. Having activities to keep you busy will give you plenty to talk about and bring you both closer.

2. Add spontaneity: It's also important not to plan out everything in your vacation. A vacation is meant for relaxation! It's absolutely okay to deviate from plans and just go with the flow. Being spontaneous keeps things interesting because you don't know what to expect. Anticipation can be exhilarating and re-light a spark in your relationship.

3. Bring it home: Of course nobody wants vacation to end, but it will have to sometime. But returning home shouldn't be a sad ordeal for your relationship. Make sure to continue the closeness at home, maybe implementing some vacation inspired

activities to your daily routine like exploring your town like tourists together. It doesn't matter what you do so long as you enjoy each other's company.
