This new celebrity baby has a very unique name. What are some ways to compromise with your partner on baby names?

Cupid's Advice:

This celebrity baby has an interesting name! But deciding on a name for your new baby can be difficult. Luckily, Cupid is here to give advice:

1. Discuss it in advance: While you don't want to discuss baby names *too* early, it's a good idea to mention your favorites in advance. Sneak it in there with phrases like, "I love the name Jennifer" or "Blake is such a nice name" so it sounds casual and doesn't add any unneeded pressure.

2. Compromise: If you find you and your partner have two very different names in mind, take those options out and decide on something completely different. Fighting over your new baby's name is not necessary. This should be a fun discussion, not an argument.

3. Question yourselves: Ask yourselves why you like certain names and not others. Is it after a relative? Does it mean something? Figure out what attracts you to names and what your partner likes in a name, as this will help you both look for names that you both find appealing.

Choosing a name for your baby is a big deal and you and your

partner might not always agree. How did you compromise with your partner? Share your advice below!
