There is no big celebrity couple drama going on here! What are some ways to keep drama out of your relationship?

Cupid’s Advice:

Drama is fun to watch, but experiencing it can be exhausting! There are times when drama is inevitable in a relationship though. Cupid is here to offer some relationship advice that will keep your love life drama-free:

1. Open communication: Being able to speak with your partner openly about issues that arise in your relationship will allow you both to tackle your problems head on. A lack of good communication will only let unspoken issues fester into something far uglier in the future.

2. Let it go: Most of the time, drama that comes up just isn’t worth addressing. If outside forces are trying to disrupt your relationship, it might just be best to ignore it and let it roll right off your back. As long as you and your partner are alright with the status of your relationship, forget what others have to say.
