Cupid's Advice:

It is a huge decision to have one baby, let alone a second. You have to weigh the pros and cons and discuss it heavily with your partner. Cupid is here to help:

1. When your body is ready: You have to make sure that you're in good health to have another baby. Don't jump into it if you're still recovering from baby number one. There is time to make this decision, so really think it through.

2. When your partner is ready: Having a baby isn't only your decision, but also your partner's. Be sure to discuss it thoroughly with them so that you're on the same page. If they aren't ready, you aren't ready.
