This celebrity baby news shouldn't be a surprise at this point! What are some ways to keep your relationship strong for a big family?

Cupid's Advice:

If you're with the right person, having kids isn't going to weaken your relationship. Parenting is a two person job. If you chose a partner that is family oriented and willing to step up, you're golden. Cupid is here to make sure:

1. Family outings: You'll still go on dates; you'll just bring the kids along. Take them to the zoo or an arcade so that you can all be a part of it. You can bond with your kids and still keep your partner close by. Hold hands while you take in the sights.

2. Family togetherness: If you decide to stay in, have a game night or pop some popcorn and put a Disney movie on. Your partner can still spend just as much time with you if not more. Cuddle up on the couch while the kids surround you to remind your partner that you are there.
